5. SCOPE OF WORK

A. Background and Objectives

Sections 1572 and 1573 of the Fish and Game Code authorize CDFW to enter into contracts to compensate private landowners, as defined therein, for providing public access to property that is suitable for wildlife-dependent recreational activities. The California Shared Habitat Alliance for Recreational Enhancement (SHARE) Program will assist with facilitating public access to private lands by providing private landowners, or their representatives, annual incentive payments in return for providing public use of the land or public access for wildlife-dependent recreational activities, including but not limited to: hunting, fishing, wildlife observation, conservation education, and related outdoor activities, in accordance with detailed annual public access management plans developed by the SHARE coordinator and CDFW wildlife biologists in cooperation with the private landowner or their designated representative.

The Contractor is entering into an agreement with CDFW to provide public access to the 300-acre wetland area located on the south end of the Merced Waste Water Treatment Plant for wildlife-dependent recreational opportunities. Public access will be regulated in accordance with an Annual Public Access Plan that will be developed by CDFW specifically for said property. The Annual Public Access Plan will ensure that high-quality recreational opportunities are developed and maintained on this property.

B. Work to be Performed

The Contractor shall:

- 1) Allow CDFW access to approximately 300 acres of seasonal wetlands to conduct various wildlife-dependent recreational activities. The Agreement land is identified in Exhibit A, Attachment 1 (Property Map), which is attached and hereby made a part of this Agreement. The dates shall be determined by January of each year and detailed in the Annual Public Access Plan.

SHARE activities to be offered:

- a) Waterfowl Hunts
 - Up to 35 days during the waterfowl season
 - 6-10 hunters per day
 - Each hunt consists of 1 day
 - b) Dove Hunts
 - 7 days during dove season
 - 16 hunters per day
 - Each hunt consists of 1 day
 - c) Pheasant Hunts
 - 4-20 days during pheasant season
 - 16 hunters per day
 - Each hunt consists of 1 day
 - d) Bird Watching Days
 - Up to 24 days in the spring
 - 10 users per day
 - Each opportunity consists of 1 day
- 2) Conduct SHARE activities on Mondays, Wednesdays, Saturdays, Sundays and holidays.
 - 3) Assist CDFW with developing the Annual Public Access Plan by February of each year of the Agreement. The Plan needs to include access dates and property rules.
 - 4) Provide a marked entrance to the property with off-road parking.
 - 5) Provide a platte map and field map of the property to CDFW for hunters.

The CDFW shall:

- 1) Conduct a drawing for SHARE Access Permits prior to each SHARE program activity.
- 2) Provide each SHARE Program participant with a SHARE Program liability waiver form (DFG 859, Rev. 12-11) which must be signed by each participant before entering a SHARE property.
- 3) Provide each hunter with a map of the property.
- 4) Provide each hunter with the rules of the property.
- 5) Maintain all program data (i.e. number of participants, contact information, hunt dates, etc.) for recreational activities conducted on the Agreement lands.

The terms, conditions, and restrictions of the Agreement are hereinafter set forth:

- 1) The Annual Public Access Plan shall contain various hunting management strategies that are intended to result in the public's access to private lands while preserving the natural, aesthetic, archeological and agricultural value of the Agreement lands. CDFW, in conjunction with the Contractor, will annually review the Annual Public Access Plan. The Annual Public Access Plan will define those specific hunt management activities (such as defining hunt areas and periods, number of allowable hunters, weapon type restrictions, etc.) required in that calendar year to achieve the level of public hunting opportunity described in the Annual Public Access Plan. The Annual Public Access Plan will be delivered to the Contractor within forty-five (45) days following the completion of the joint review.
- 2) The Contractor shall be protected from liability under the state recreational liability statute (Civil Code Section 846), as stipulated in Fish and Game Code Section 1573 (d).
- 3) Prior to entering the Agreement lands, CDFW shall require all persons participating in the SHARE program to sign a SHARE Program liability waiver form (DFG 859, Rev. 12-11) releasing the State of California or any private group, nonprofit organization, governmental entity, or other organization involved in administering the program, and the Contractor, from liability for any injury or damage that arises from, or is connected with that person's use of the land. Upon request, CDFW shall provide a copy of the signed waiver to the Contractor.

1. **LICENSES AND PERMITS (If Applicable)** ~ The Contractor shall be an individual or firm licensed to do business in California and shall obtain, at his/her expense, all licenses and permits required by law for accomplishing any work required in connection with this Agreement.

If you are a Contractor located within the State of California, a business license from the City/County in which you are headquartered is necessary; however, if you are a corporation, a copy of your incorporation documents/letters from the Secretary of State's Office can be submitted. If you are a Contractor outside the State of California, you will need to submit to CDFW, a copy of your business license or incorporation papers for your respective State showing that your company is in good standing in that State.

In the event any licenses and/or permits expire at any time during the term of this Agreement, Contractor agrees to provide the California Department of Fish and Wildlife (CDFW) a copy of the renewed licenses and/or permits within thirty (30) days following the expiration date. In the event the Contractor fails to keep in effect, at all times, all required licenses and permits, the State may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

2. **RIGHTS IN DATA** ~ The Contractor agrees that all data, plans, drawings, specifications, reports, computer programs, operating manuals, notes and other written or graphic work produced in the performance of this Agreement, are subject to the rights of the State as set forth in this section. The State shall have the right to reproduce, publish, and use all such work, or any part thereof, in any manner and for any purposes whatsoever and to authorize others to do so. If any such work is copyrightable, the Contractor may copyright the same, except that, as to any work which is copyrighted by the Contractor, the State reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish, and use such work, or any part thereof, and to authorize others to do so.

3. **RIGHT TO TERMINATE** ~ CDFW reserves the right to terminate this agreement subject to 30 days written notice to the Contractor. Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service.

4. **SETTLEMENT OF DISPUTES** ~ Unless otherwise provided in this Agreement, any dispute concerning a question of fact arising under this Agreement which cannot be resolved informally, shall be decided by the following two (2) step procedure:

- a. The Contractor must provide written notice of the particulars of such disputes to the CDFW Contract Manager or appointed representative. The CDFW Contract Manager must respond, in writing, within ten (10) working days of receipt of the written notice of dispute.

Should the Contractor disagree with the CDFW Contract Manager's decision, the Contractor may appeal to the second level. Pending the decision on appeal the Contractor shall proceed diligently with the performance of this Agreement in accordance with the CDFW Contract Manager's decision.

- b. The second level appeal must indicate why the CDFW Contract Manager's decision is unacceptable, attaching it to the Contractor's original statement of the dispute with supporting documents, and a copy of the CDFW Contract Manager's response. This letter of appeal shall be sent to the California Department of Fish and Wildlife, Deputy Director, or duly appointed representative. The second level appeal must be filed within fifteen (15) working days upon receipt of the CDFW Contract Manager's decision. Failure to submit an appeal within the period specified shall constitute a waiver of all such rights to an adjustment of this Agreement. The Deputy Director, or designee, shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director or designee shall be returned to the Contractor within fifteen (15) working days of the receipt of the appeal. The decision of the Deputy Director, or designee, will be final.

5. PROPERTY ACQUISITIONS – Property, as used in this section shall include:

- a. **Equipment** – Tangible property (including furniture) with a unit cost of \$5,000.00 or more, and a useful life of four (4) years or more. Actual costs include the purchase price plus all costs to acquire, install and prepare the equipment for its intended use.
- b. **Furniture** – Standard office furnishings including desks, chairs, bookcases, credenzas, tables, etc.
- c. **Portable Assets** – Items considered 'highly desirable' because of their portability and value, e.g., calculators, typewriters, Dictaphones, cameras and microscopes, etc.
- d. **Electronic Data Processing (EDP) Equipment** – All computerized and auxiliary automated information handling including system design and analysis, conversion of data, computer programming, information storage and retrieval, voice, video, and data communications, requisite system controls, simulation and all related interactions between people and machines.

The Contractor may purchase property under this Agreement only if specified in Exhibit B titled 'Budget Detail and Payment Provisions'. Any property purchased by the Contractor, with funds provided under this Agreement, shall be the property of the State during the customary depreciable life thereof. The Contractor shall promptly report any such purchase to the CDFW Contract Manager and to the State's Property Officer. Should this Agreement be terminated for any reason, or upon expiration and failure to negotiate hereof, all such property shall be returned to the State within the timeframe negotiated between the Contractor and the State. Prior written authorization by the CDFW Contract Manager shall be required before the Contractor will be reimbursed for any property purchases not specified in the Budget. The Contractor shall provide to the CDFW Contract Manager, all particulars regarding the necessity for such property and the reasonableness of the cost.

Before property purchases made by the Contractor are reimbursed by CDFW, the Contractor shall submit paid vendor receipts identifying the Agreement number, purchase price, description of the item, serial number, model number, and location, including street address where property

will be used during the term of this Agreement. Said paid receipts shall be attached to Contractors' invoices. The Contractor shall keep adequate and appropriate records of all property purchased with Agreement funds and at the time of purchase, prepare a Property Purchased with State Funds report and submit one (1) copy to the CDFW Contract Manager, and one (1) copy to the Property Officer; one (1) copy must be retained by the Contractor.

CDFW reserves the right, at any time, to evaluate the cost of property and reimburse at an amount equal to costs reflected in but not limited to Agreements the State Department of General Services, Procurement Division has negotiated with vendors who supply the same type of property. The Contractor shall tag all acquisitions. The purpose of tagging assets is to designate the assets as belonging to the State.

Upon termination, expiration or failure to negotiate renewal of this Agreement, all property purchased with Agreement funds shall promptly be returned to the State. The Contractor shall prepare an inventory of State Furnished Property report and submit to the State and shall at that time query the CDFW Contract Manager as to the State's requirements, including the manner and method in returning said property to the State. Final disposition of such property shall be at State expense in accordance with instructions from the CDFW Contract Manager to be issued immediately after receipt of the final inventory.

6. **LOST, STOLEN or DESTROYED PROPERTY** ~ The Contractor shall immediately report the loss, theft or destruction to the local law enforcement agency (or the California Highway Patrol {CHP} if the crime occurs on either state-owned or state leased property) and to the CDFW Contract Manager and prepare a Property Survey Report.

In the case of stolen property, the Contractor shall also complete a CHP Report of Crime on State Property (STD 99) form, and obtain a copy of the law enforcement agency's report to submit to the CDFW Contract Manager. The Contractor shall adjust their property records and retain a copy of the Property Survey Report as documentation.

Losses of State property due to fraud or embezzlement shall be reported in the same manner as described above. The Contractor shall be charged with any loss and damages to State property due to the Contractor's negligence. The Contractor shall, at the request of the State, submit an inventory of property furnished or purchased under the terms of this Agreement. Such inventory will be required not more frequently than annually.

7. **INCOME RESTRICTIONS** ~ The Contractor agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Contractor under this Agreement shall be paid by the Contractor to CDFW, to the extent that they are properly allocable to costs for which the Contractor has been reimbursed by CDFW under this Agreement.
8. **CONFIDENTIALITY OF DATA** ~ The Contractor shall protect from disclosure all information made available by CDFW. The Contractor shall not be required to keep confidential any data or information which is publicly available, independently developed by the Contractor, or lawfully obtained from third parties. Written consent of CDFW must be obtained prior to disclosing information under this Agreement.
9. **DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PARTICIPATION REQUIREMENTS** ~ The Contractor agrees to use DVBE subcontractors or suppliers originally identified by the Contractor, unless the Contractor requests substitution, in writing beforehand to the CDFW

Contract Manager and the CDFW Contract Manager has approved such substitution. At a minimum, the request must include:

- a. A written explanation of the reason for the substitution; and
- b. The identity of the person or firm substituted.

The request and the CDFW Contract Manager's approval is not to be construed as an excuse for noncompliance with any other provision of law, including but not limited to the subletting and subcontracting Fair Practices Act or any other Agreement requirements relating to the substitution of subcontractors. Failure to adhere to at least the level of participation for DVBE proposed by the Contractor may be cause for Agreement termination and recovery of damages under the rights and remedies due the State.

10. **DISCLOSURE REQUIREMENTS** ~ Any document or written report prepared in whole or in part pursuant to this Agreement shall contain a disclosure statement indicating that the document or written report was prepared through an Agreement with CDFW. The disclosure statement shall include the Agreement number and dollar amount of all Agreements and subcontracts relating to the preparation of such documents or written reports. The disclosure statement shall be contained in a separate section of the document or written report.

If the Contractor or subcontractor(s) are required to prepare multiple documents or written reports, the disclosure statement may also contain a statement indicating that the total Agreement amount represents compensation for multiple documents or written reports. The Contractor shall include in each of its subcontracts for work under this Agreement, a provision which incorporates the requirements stated within this section.

11. **USE OF SUBCONTRACTOR(S)** ~ If the Contractor desires to accomplish part of the services through the use of one (1) or more subcontractors, the following conditions must be met:
- a. The Contractor shall submit any subcontracts to the State for approval prior to starting any of the work;
 - b. The Agreement between the primary Contractor and the subcontractor must be in writing;
 - c. The subcontract must include specific language which establishes the rights of the auditors of the State to examine the records of the subcontractor relative to the services and materials provided under the Agreement; and
 - d. Upon termination of any subcontract, the State shall be notified immediately, in writing.

Further, any subcontract in excess of \$100,000 entered into as a result of this Agreement shall contain all applicable provisions stipulated in this Agreement.

12. **POTENTIAL SUBCONTRACTOR(S)** ~ Nothing contained in this Agreement or otherwise shall create any contractual relation between the State and any subcontractor(s) and no subcontract shall relieve the primary Contractor of its responsibilities and obligations hereunder. The

Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractor(s) and of persons directly employed or indirectly employed by any of them as it is

for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractor(s) is an independent obligation from the State's obligation to make payments to the primary Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any monies to any subcontractor.

13. **TRAVEL AND PER DIEM** ~ The Contractor agrees that all travel and per diem paid its employees under this Agreement shall be at rates not to exceed those amounts paid to the nonrepresented/excluded State employees. No travel outside the State of California shall be reimbursed unless prior written authorization is obtained from CDFW.
14. **NOVATION** ~ If the Contractor proposes any Novation Agreement, CDFW shall act upon the proposal within sixty (60) days after receipt of the written proposal. The State may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection may be made orally within the sixty (60) day period, and confirm in writing within five (5) days. No Novation Agreement shall become operative or otherwise binding on the State pursuant to this paragraph in the absence of a formal Novation Agreement amendment which has been approved in accordance with all applicable State policy, laws and procedures.
15. **INSURANCE** ~ When the Contractor submits a signed Agreement to CDFW, the Contractor shall also furnish, either proof of self-insurance or certificate(s) of insurance, showing that the required insurance is presently in effect. Contractor agrees to make complete copies of applicable insurance policies available to CDFW upon request. The State will not be responsible for any premiums or assessments on the policy.
