## Interests & Experiences

**Tell us about yourself, and why you are applying for this particular Board or Commission:**

I currently hold a B.S. in Public Health Promotion and I am currently an MPH candidate. I have a passion for advocacy, health, governmental transparency, and access. I am applying to be a part of several boards/commissions to ensure access, transparency, activities, and opportunities are expanded. I feel I represent many communities and can do my part if appointed. Our most vulnerable and underrepresented communities will have a voice in me.

**Please list your current employer and relevant volunteer experience.**

Current employer: UC Davis School of Medicine Volunteer experience: Loaves & Fishes- Community Volunteer The Haven- Volunteer UC Merced Growing Health Leaders Conference Atwater Youth Recreation- Basketball Coach Jack L. Boyd Outdoor School- "Camp Green Meadows" Camp Counselor

**What is your understanding of the roles and responsibilities of this Board or Commission?**

I understand that the boards and commissions of interest to me all impact different areas of the community I have grown up in and am passionate about. I understand that many of the potential roles do act in an advisory capacity to the City Council. There are annual budgets, planning processes, and decisions made that affect my communities who I feel deserve to have an additional voice representing them.

**Do you have experience or special knowledge pertaining to this Board or Commission?**

My education and experiences in the world of public health gives me a point of view that could be beneficial to any of the boards/commissions of interest to me. I feel I have knowledge and life experience that would make me a great asset in the position(s) when being tasked with making informed decisions. I consider all perspectives and experiences and hope to influence others to do the same.

**Any other comments you would like to add that may assist the City Council in their decision?**

George Washington University, *Washington, D.C.*

Bachelor of Science in Public Health Promotion, May 2021  
California State University, Stanislaus, *Turlock, CA*

## PROFESSIONAL EXPERIENCE

---

**Program Administrator, UC Davis School of Medicine**  
***University of California, Davis, Sacramento, CA***

May 2023 – Present

### *Tribal Health Initiatives*

- Manages all administrative processes and student support as it relates to Tribal Health Initiatives (multiple pathway programs focused on developing physicians for Tribal communities and other underserved patient populations). Supports the department and program leaders (2 Associate Deans and 4 Faculty Directors) in coordinating, implementing, and operating each program's initiatives and core components.
- Serves as the point person for learners, including prospective program candidates, current health professions learners, and all other stakeholders. Serves as recruitment and dissemination lead for program information and assists prospective and current health professions learners with all program-related issues and questions.
- Manages large-scale program events and classroom activities, including identifying and securing proper facilities, catering, etc. through internal and/or external vendors.
- Works alongside admissions leadership, scholarly pathway directors, and pathway manager/staff to coordinate logistics, application screening and review, updates to pathway program interview invitations, decisions, start dates, contracts, requirements, etc.

**Admissions Coordinator, UC Davis School of Medicine**  
***University of California, Davis, Sacramento, CA***

November 2022 – May 2023

- Serves as the main point of contact for general inquiries for the admissions office. Disseminates general information to applicants, prospective applicants, and the general public regarding all aspects of admissions to medical school via email, telephone, and virtual in person meetings/events.
- Advises prospective applicants about premedical course requirements, AMCAS, application timeline, MCAT, information, admission data, application process including secondary application, letters of recommendation, application fees, interview process, etc.
- Refers applicants to the Association of American Medical Colleges (AAMC) for general information regarding admission and application to U.S. medical schools, the School of Medicine's website, and the use of the navigation to gain knowledge about the process, timeline, etc.
- Assist Admissions Director/Manager with outreach events and presentations, support/lead one-on-one tours, virtual tours, pre-health conference workshops, and admissions informational sessions.

# Angel S. Santellano

## *Virtual Multi Mini Interview Process & Ranking Committee*

- Provides oversight to the entire virtual Multi Mini Interview process, including recruiting and training of Interview Raters, scheduling applicants, conducting, and troubleshooting each interview session, compliance tracking of training, and other data analysis/tracking. Combined, the process requires coordination of over 700+ individuals between applicants, raters, and staff support each cycle.
- Coordinates the selection process, onboarding, and duties of medical student ambassadors as part of the MMI and the admissions cycle.
- Manages the Ranking Committee review process by working closely with admissions leadership and the Admissions Ranking Co-Chairs. Ensures elements of the Ranking Committee are fulfilled such as recruitment of faculty and trainees to meet the needs of the review process requirements. Has a high-level understanding of School of Medicine bylaws and FERPA regulations.

## **Medical Education Administrative Assistant II/Project Coordinator**

**University of California, Merced, Merced, CA**

March 2022 – November 2022

- Provided administrative support to the Office of Medical Education, including support of the Executive Assistant, Special Projects Manager, and other managers periodically.
- Led reports, grant preparation, data analysis, presentations, regulatory document preparation, project programming, coordination, and planning.
- Coordinated site visits and orientations for students and community partners.
- Provided varying levels of customer service to community/academic partners and students via email, text messages, and phone calls.
- Responsible for event planning and logistics including reserving locations, catering, transportation, and communication with supporting departments.
- Worked closely with student volunteers regarding the ongoing volunteer research opportunity through coordinated sessions specific to program needs; sessions for distribution of gas gift cards for transportation to volunteer sites, collection of program paperwork like consent forms, and other needs as necessary.
- Led the MCAT Prep Program and independently reviewed preliminary data from applicants to ensure baseline eligibility. Managed the MCAT Committee applicant review sessions; disseminated application decisions. Coordinated student registration and orientation sessions with outside partners and answered all questions pertaining to MCAT program details, logistics, and more via email/text/telephone.

## Interests & Experiences

**Tell us about yourself, and why you are applying for this particular Board or Commission:**

I've become informed about how different US urban design is compared to the rest of the developed world, and that has led me to develop a passion for trying to build a better city. I want everyone's kids to live in cities that are built for humans first, not cars.

**Please list your current employer and relevant volunteer experience.**

My current full-time employer is Emergent Health Care Solutions, a remote-first healthcare and emergency services technology company. My part-time employer is Mercy Medical Transportation out of Mariposa.

**What is your understanding of the roles and responsibilities of this Board or Commission?**

My understanding is that this commission's role is ultimately to make recommendations to the city council for how best to develop and/or promote transportation solutions in the city that do not involve cars. I am aware that the commission also does not make recommendations with respect to public transit, but may, at times, deal with concerns that intersect with public transit (IE suggesting a means of feeding pedestrians and cyclists into the transit system). As an ex-officio, I will have a speaking role, but no capacity to vote. As for responsibilities, it is clear to me that I will be responsible for attending regularly, and for my personal conduct.

**Do you have experience or special knowledge pertaining to this Board or Commission?**

I've read a few books on the subject matter and follow multiple commentators who specialize in urban planning and design, including working urban planning engineers. I feel that this has made me more familiar with policies that have worked, policies that have not, and why those policies succeeded or failed than the average layperson. I also try to use my bike to travel in the city whenever reasonable or safe.

**Any other comments you would like to add that may assist the City Council in their decision?**

My goal is ultimately to see a city that is affordable, equitable, and sustainable; to foster both a healthy economy and a strong sense of community. These goals are consistent with the goals of the council, and I think that I can help accomplish those goals on the bicycle commission.

## Interests & Experiences

**Tell us about yourself, and why you are applying for this particular Board or Commission:**

Hello! I was born and raised in Merced. I have a vested interest in seeing Merced continue to modernize and thrive. I believe a modern city is one that provides multiple safe and affordable modes of transportation. I've ridden a bicycle for a better part of my life and really appreciate the improvements that have been made in the City of Merced. I believe I can provide a great perspective to this board.

**Please list your current employer and relevant volunteer experience.**

I am currently employed by the San Francisco Public Utilities Commission. This is a public agency that serves water, power and sewer services to the City of San Francisco. I've worked here for over 9 years and have enjoyed being a public servant. I understand what it takes to be a good steward of public resources.

**What is your understanding of the roles and responsibilities of this Board or Commission?**

I am applying for an Ex-Officio position with the Bicycle & Pedestrian Advisory Commission. This board will advise the City Council on improving conditions for the following; bicycling, pedestrian activity, mobility needs for elderly, those with disabilities and other modes of transportation within the City of Merced.

**Do you have experience or special knowledge pertaining to this Board or Commission?**

I have not served on a board but I do have experience as a public servant. I am very familiar with the current conditions in the City of Merced.

**Any other comments you would like to add that may assist the City Council in their decision?**

Thank you for your consideration.

  - Transferred their scheduling system from pen and paper to a manageable database that can be accessed online.
  - Set up various systems that are used by managers to write reports and create schedules.
  - Performed troubleshooting of mobile devices and personal computers for all employees and managers.

## Extracurricular Activities

**SFSU Association for Computing Machinery President; 2013 - December 2015** President for the San Francisco State University chapter of the ACM. I was in charge of running events and presentations that focused on Free, Open Source Software (FOSS). I contributed my own presentations to expose the students to FOSS. I also brought in speakers that could share their contributions to the Open Source community and share opportunities with students.

## Skills

**IT Software:** VMWare vSphere, (ESXi, vCenter), BMC Track-it!, ServiceNow, NGINX, PRTG Network Monitor, Grafana, ElasticSearch, Logstash, Microsoft SharePoint, Microsoft Endpoint Manager (SCCM), Intune, Microsoft 365, Trellix Security Suite, Tanium

**Languages:** Java, Python, Bash, PowerShell, R, JavaScript, Google Apps Script

**Markup Languages:**  $\text{\LaTeX}$

**Operating Systems:** Windows XP, 7, 8.1, 10, 11, Windows Server 2012R2, 2016, 2019, 2022, Red Hat Enterprise Linux, Ubuntu, Android 2.1+, iOS

**Applications:** Microsoft Office Suite (Excel, Outlook, Word, PowerPoint, OneNote), Google Apps for Business, Windows Administrative Tools

**Miscellaneous:** Excellent troubleshooting, debugging and problem solving skills. Extremely motivated to learn!

## Personal Projects and Open Source Software

**Homelab; 2014 - Present** I run a robust lab at home where I provision servers, software and services for personal use. I run nearly everything through three VMWare ESXi hypervisors. One hypervisor serves as the backbone to my network. This backbone consists of a pfSense firewall and a Ubiquiti Unifi Controller. A second hypervisor houses a Windows environment for Active Directory and other Windows-specific applications. The third hypervisor houses three Debian Linux boxes. The Debian hosts act as NGINX web servers which host web applications like Grafana, (a network monitoring tool), and Guacamole, (a clientless remote desktop gateway). This project slowly evolved itself into a hobby and I've been tinkering with it for over four years. Working on something like this in my spare time helps keep me up to date with emerging technology and business applications.

**Windx; 2012 - 2014** I maintained a small window manager written in Python for the Linux X Window System. It started as a final project for a class but I added several more features since then.

**Colorim; 2012 - 2013** Created a Python script that gathers information from an image and then uses that information to create a scheme of colors. That color scheme can then be used to form an Xdefaults/Xresources file which can be used by terminal applications to create a colorscheme for things such as syntax highlighting.

**qtile; 2013 - 2014** I've contributed to the Qtile project in the form of bug reports and small Python code contributions.
