Destiny Drive in North Merced

Describe Concerns At This Location:

Over the holidays my son had his car stolen. A gentleman came to our home and told us he found my sons belongings from the car spread-out all over Destiny Dr. Destiny Dr. is a dead-end paved City Street in far north Merced with no houses. According to this gentleman who lives in that neighborhood, this street is a frequent spot for trash dumping, and suspicious vehicles parked or in our case a stolen car being gone through looking for valuables. As I left the area, I thought to myself It should not be open for traffic at this time.
