CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan.

91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Merced has prepared the Consolidated Annual Performance and Evaluation Report (CAPER) for the period of July 1, 2016 through June 30, 2017. The CAPER describes a general assessment of the City's progress in carrying out projects and programs during the FY 2016 with the use of CDBG and HOME funds, provided by the U. S. Department of Housing and Urban Development (HUD), primarily to benefit Low and Moderate Income persons (LMI) and or areas.

The CDBG award for 2016-17 program year was \$959,615, with \$325,445 in Program Income received. Carryover, from previous years also contributed to the continued efforts of ongoing projects and programs. Approximately \$1,228,131 in CDBG funds was spent during the snapshot period of July 1 to June 30.

The HOME award for 2016-17, was \$329,958, with approximately \$553,179 in program income. Carryover, from last year's CAPER, although committed to ongoing projects and programs. The 2016-17 HOME expenditures were \$745,532, which were directed toward affordable housing opportunities. The remaining carryover and program income is committed to a new CHDO project "Gateway Terrace II."

Highlighted for FY 2016-17, steady progress in meeting the goals and objectives stated in the 2016 Action and ConPlan was:

- Affordable Housing
- Rehabilitate and Enhance Existing Neighborhoods
- Non-Homeless Special Needs
- Support Services
- Public Services
- Non-Housing - Community Development
- Job Creation
- Public & Infrastructure Improvements
- Neighborhood Revitalization Strategic Area Planning
- Homeless
- Permanent Supportive Housing
- Public Services
- Homeowner Assistance

More specifically, the City of Merced allocated CDBG funds during the 2016-17 program year to multiple social service agencies to meet these priorities and goals; including Merced Rescue Mission, Healthy

House, Central Valley Coalition for Affordable Housing, Project Sentinel, and Valley Crisis Center. One of the City's other goals is to improve the condition of the City's housing stock and public facilities that benefit low income residents. As such, this last year, Habitat for Humanity implemented the Homeowner Rehabilitation program.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

ssess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City's strategic plan identifies five types of projects as essential to the community:

1. Public Infrastructure and Capital Improvements.
2. Programs and planning that encourages job creation and retention programs.
3. Increased public services to area nonprofit agencies, particularly programs providing services for the homeless, youth and seniors.
4. Permanent supportive housing for the chronically homeless;
5. Programs that promote and/or create fair and affordable housing, especially targeting extremely low- and low-income households.

This year's activities resulted in meeting many of those five priorities.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

Narrative

Of the programs that were closed out prior to the end of the Fiscal Year, the housing division was able to provide funding to assist approximately eighteen-hundred (1,800) individuals and households. Many of these households and individuals were assisted through the Continuum of Care, Fair Housing Services, and Rapid Rehousing programs.

The populated data is not reflective of projects that were not closed out this fiscal year, projects currently underway, or other non-HUD funded housing projects. The City of Merced was able to assist approximately an additional 10 households through the First Time Home Buyer program with funding from the State of California.

The City of Merced received \$959,615 in Community Development Block Grant Funds (CDBG), and \$329,958 in HOME Investment Partnership Funds (HOME). Through the repayment of existing rehabilitation loans, approximately \$325,445, in CDBG funds were received as Program Income. These funds were directed toward the various projects, as approved by City Council through the Action Plan process. Additionally, HOME funds in the amount of \$553,179, repaid through rehabilitation loans, and first time homebuyers were received as program income and reinvested in affordable housing projects/programs.

Listed below is minor, technical and substantial amendments completed throughout the year. The City has taken no action to hinder the implementation of the 2016 Annual Action Plan and has actively implemented related projects and programs that work toward achieving the goals and objectives. Additional information includes the Certificate of Consistency's submitted for review and approval to confirm the goals of the non-profit agency, who is applying for funding through the federal government, such as Emergency, Transitional and Permanent Housing, as well as Homeowner Rehabilitation Grants, is consistent with the Merced's goals and needs, as identified in the Consolidated Plan.

Narrative

For the 2016-17 program year, Merced anticipated that 86 percent of its CDBG & HOME funds would be spent reaching the 8 disadvantage census tracts. Additionally, as stated in the Strategic Plan, certain racially/ethnically concentrated areas of poverty were identified as having greater needs in the City. These census tracts are scattered throughout the community. Several of Merced's sub-recipients provided services and housing to residents living in the targeted census tracts including: Habitat for Humanity, Sierra Saving Grace, and Merced Rescue Mission; The ADA and Sewer Main infrastructure projects were also located within these targeted areas. The actual amount anticipated after the capital improvement projects are completed, may result in a higher percentage. The remaining funds were targeted to the general population; however, because Merced is a relatively smaller community and low income populations are distributed throughout the City, the City believes that those activities outside these census tracts will still serve low income populations.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City is dedicated to working with developers of low and moderate income housing in order to leverage its funds and maintain an adequate supply of affordable housing. In fiscal year 2016-17 Central Valley Coalition for Affordable Housing completed the rehabilitation of a 7-Unit Apartment Complex (1113 W. 2nd Street) and begin construction of two multi-family projects (2668 Hwy. 59 & 1820 I Street).

The City leverage funds with the County of Merced to fund the Merced Continuum of Care program. Without the City and County funding the Merced COC, the County nor the City would be in compliance with HUD rules and regulations for Homeless programs. The City leveraged CBDG funds with the Merced Rescue Mission to ensure homeless would receive funds for rental deposits. The program was made available to the 100 most chronically homeless individuals as identified through the Merced COC HMIS system.

Additionally, funding is leveraged with money from cities throughout Merced County to provide a Continuum of Care plan for the City and County. The Continuum, operated by the United Way, is the lead agency working with other organizations within Merced with the goal of helping, servicing, and eventually ending homelessness in the Merced County area. City funding helps pay for a staff person who is responsible for assisting organizations with grant writing, providing a meeting place for board meetings and organizing meetings. This individual is considered a resource to all local service and non-profit entities in the community that provide assistance for homeless.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

Merced's Strategic Plan outlines the City's plans to assist in the development of affordable housing through First Time Homebuyer loans and the development of Multi-Family residential projects under the CDBG and HOME programs. In 2013, the City was awarded \$1,000,000 in CalHOME funds to be used for qualified First Time Homebuyers. Due to market housing prices, most home purchase prices in Merced exceed the maximum purchase price allowed by United States Department of Housing and Urban Development (HUD). Thus, the FTHB program wasn't funded with monies from CDBG or HOME programs.

DRAFT

City staff is working with Habitat for Humanity to manage the Homeowner Rehabilitation program. This program has been very successful in the community and has assisted with the rehabilitation of multiple properties this past year.

As for affordable housing development, the City was able to partner with Sierra Saving Grace and the Merced Rescue Mission to acquire three units which are being used for permanent supportive housing.

The City continues to look for additional funding sources, such as Affordable Housing and Sustainable Communities Program through (HCD), and community partnerships (i.e. Habitat for Humanity) to bring in additional funds for affordable housing.

Discuss how these outcomes will impact future annual action plans.

The City plans to address housing needs, but without significant additional resources, the City will continue to focus on ways to leverage the financial resources we do receive with other local and state funding sources. The City intends to continue partnering with Habitat for Humanity to keep the Homeowner Rehabilitation Program within the community. Moreover the City looks to develop additional partnerships with community non-profit organizations to implement public service programs related to youth, senior and homeless programs. With a focus on serving the community's homeless, veteran's, and seniors. The City will be pursuing to leverage federal, state, and local funding sources to develop large multi-family developments to support increasing affordable housing units.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Narrative Information

DRAFT

Based upon the various public service programs, eighteen hundred (1,800) people were assisted. Figures are included in the table above. Not included in the table is information provided by Fair Housing calls or the homeless counted in the P.I.T. count. Additionally, the CalHome 12 First Time Homebuyers were not included as persons served. Not reflected in this table, due to information not related to family size, was CDBG & HOME projects underway and CDBG Activities that benefit Low Mod Areas. CDBG funds were used for activities benefitting low/mod persons, and complies with certifications that require no less than 70% of CDBG funding during the specified period on activities that benefit low/mod person. Additionally, attached is the PR23 reports for both CDBG and HOME, which reflect Matrix Code, Accomplishment Type, Beneficiaries by Income Category, which include census for persons, and Units.

DRAFT

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Merced participates in the Merced City and County Continuum of Care's coordinated entry system which is linked to a wide-range of public & private agencies through street outreach within the CoC jurisdiction so that people sleeping on the streets are prioritized for assistance in the same way as all other homeless persons. The **Vulnerability Index - Service Prioritization Decision Assistance Tool (VI-SPDAT)** is used as a tool that helps determine chronicity and medical vulnerability. Outreach workers administer VI-SPDAT on the streets, in encampments, and remote areas that identifies best type of support and housing interventions that fit their needs including PSH with a Housing First approach and RRH. CoC advertises the CE process in ways that include: 1) leaving business cards of outreach workers; 2) leaving flyers that describe the process and includes contact information; 3) leaving information at service sites; 4) leaving information at public locations; 5) educating mainstream service providers; 6) at events that attract homeless persons; 7) winter warming center; 8) 2-1-1 help line; and 9) meal programs at centers and parks.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Merced participates in the Merced City and County Continuum of Care which is linked to a wide-range of public & private agencies working together to address emergency and transitional housing needs of homeless persons. This past year the City of Merced partnered with Merced Rescue Mission to operate a Warming Center. The warming center allowed individuals currently located on the streets a place to go out of the various weather elements. Additionally, the City of Merced partnered with Alliance for Community Transformations to provide emergency shelter to individuals seeking shelter and refuge from situations that would leave them homeless otherwise.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that

address housing, health, social services, employment, education, or youth needs

A county-wide homeless prevention strategy has been implemented that has helped identify specific risk factors based on fact-finding with general assistance, mainstream, and prevention assistance providers that include loss of income, history of residential instability sudden death or illness, utility shutoffs, etc. Strategic steps focus on shelter diversion by stabilizing households in current housing or temporarily sharing housing with other family members or friends until the household is ready to obtain and maintain permanent housing. Steps also include links to temporary or ongoing supports and case management if needed. Temporary support may include one-time or short-term rental and/or utility assistance and participation in employment services. Ongoing supports may include mainstream resources and on-the-job training. Case management, if desired by the household, may be short-term. The overall goal is to stabilize the household and prepare a plan if another housing crisis occurs. In addition, the City of Merced partners with the Merced County Rescue Mission which operates a Respite Care program that focuses on helping homeless persons discharged from the Mercy Medical Center and Horizons Unlimited Healthcare and offers such persons a safe supportive environment, as well as meals, oversight of medical treatment, while helping them explore long-term housing options through case management.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

By supporting the Merced City and County Continuum of Care, helping homeless persons includes 1) focusing more intensely on chronic homeless individuals and families through street outreach and engagement into areas and encampments where chronic homeless persons are known to live; 2) engaging chronic homeless households through the coordinated entry system to help link them to the appropriate permanent supportive housing provider and level of supportive services; 3) increasing resources to provide bridge housing for chronic homeless households who need a short-term stay while awaiting permanent housing availability that includes low barrier shelter and vouchered stays in motels; 4) connecting chronic homeless households to mainstream resources including Medi-Cal and behavioral health services while awaiting PSH placement; 5) connecting chronic homeless households to community resources such as food, transportation, money management, housing counseling services, etc. to ensure they maintain their housing; and 6) emphasizing a consumer-driven mindset that is choice-based.

The Coordinated Entry System (CES) plays a critical role in providing the right intervention for each

DRAFT

homeless family to effectively house them within 30 days. CES helps families avoid entering shelters by offering assistance to help remain in their housing or live with friends and families for a short period of time in order to gain time to move into permanent housing. If emergency shelter is needed, rapid rehousing assistance and supportive services are provided to help ensure a stay of no more than 30 days. Services are provided within a housing first and low barrier environment. Assistance is flexible so families with lower barriers receive modest financial assistance and those with higher barriers receive moderate assistance. Two Rapid Rehousing Programs were funded this past year (Merced County's Human Services Agency and Merced Rescue Mission). The Continuum of Care has also developed more effective coordination between prevention efforts and mainstream benefits and programs.

DRAFT

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Housing Authority of Merced County (HAMC) is the public housing agency serving the City of Merced. HAMC is independent of the City of Merced, and the City retains no control over its funding or implementation of programs. HAMC has multiple public housing properties in Merced.

The City of Merced partnered with the HAMC to fund a rapid re-housing program. The program was designed to provide housing for eligible households identified through the Continuum of Care.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority of Merced County (HAMC) encourages public housing residents to participate in policy, procedure, and program implementation and development through its Board. HAMC also distributes various forms of communication to all residents, which contains relevant news, information on training and employment opportunities, and other community resources available to public housing residents. Public housing residents also participate in the development of the HAMC five year and annual plans. The HAMC distributes a survey to prioritize residents' needs and schedule short and long term improvements.

Actions taken to provide assistance to troubled PHAs

The Housing Authority of Merced County (HAMC) is not designated as "troubled."

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

Housing staff continues to move forward to meet the daily challenges and has worked to educate sub-grantees, identify challenged areas, establish community partnerships, and improve upon outdated processes to create an efficient, effective program.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The City of Merced has partnered with the County of Merced and the United Way to develop and implement the Continuum of Care program within the City of Merced, County and neighboring Community's. The plan discusses the extent of homelessness in Merced County, identifies and leverages available local resources, describes solutions, and ultimately renders area organizations eligible for federal Continuum of Care grant funding.

The City and County of Merced have taken a lead role in providing resources to the homeless in Merced by adopting the Continuum of Care Strategy to end Homelessness and by providing annual CDBG funds to support one staff member responsible for heading up the Continuum of Care through United Way. Several positive activities spearheaded by the Continuum of Care can be found throughout this document.

Additionally, the Division is working with three non-profit organizations to either rehabilitate existing, purchase, or construct residential properties to provide permanent supportive housing. Staff provided an average of \$200,000 to each non-profit organization in fiscal year 2016/17 towards each project.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City continues to review and analyze how it can better meet the needs of the underserved and address "worst case" housing issues through its affordable housing program, supportive services, Continuum of Care and the Fair Housing services offered through Project Sentinel. Loans to landlords to improve housing for those families living in seriously substandard housing are available with CDBG funding.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City, in cooperative efforts, continues to work with the Continuum of Care, its partnering cities and non-profit agencies, to identify resources available to reduce the number of persons living below the poverty level and address the needs of the community.

Programs that provide funding for rehabilitation work on purchased homes, rehab work on privately owned properties, and or upkeep of newly purchased properties, allows the city to provide jobs to smaller contractors and service providers within the City. Many of the contractors bidding on jobs from the Housing Division are smaller, one to four person companies. Many contractors use credit cards to make ends meet while awaiting payment from the City. As some contractors have informed us, they are living it “paycheck to paycheck” and work other jobs to supplement their incomes. These programs allow the City to provide employment in a depressed community as a way to assist this particular group stay above the poverty level.

In addition to CDBG and HOME funds, the City utilizes program income generated from loan payments and loan payoffs to rehabilitate properties and grant funds from CalHome programs to provide deferred FTHB loans to income eligible households. These efforts allow our department to assist a wide variety of households in our community.

Borrowers/applicants work with either a local lending institution or the designated property management company to identify what amount of assistance these households need to allow them to qualify for the type of residential (rental or purchase) unit they are requesting.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

As Housing Division staffing levels continue to be reduced over the past four years, Housing’s top priority remains to create an efficient department, reassess policies and procedures, train staff on various programs, and improve working relationships with community members and grant representatives.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City made a commitment last year to improve the communication and service delivery capabilities of agencies and organizations that provide programs to assist the homeless. The City continues to hold community meetings to enhance coordination between housing providers, government agencies, and other key stakeholders in the City and County. The purpose of these meetings was to establish a network of agencies to enhance the delivery of services to the homeless, disabled individuals and families, youth, and others seeking services as well as reduce duplication of services.

The City will continue to participate in various Continuum of Care meetings, which are attended by various governmental departments and service providers to share information on existing programs and areas for improvement to enhance coordination and exchange knowledge of best practices to better understand and address the community's needs. The United Way holds quarterly board meetings to provide a platform for agencies to coordinate services. Board Members of the Continuum of Care include public housing authorities, service providers, community stakeholders and people who have experienced homelessness. These meetings are held to address unmet needs and ensure that resources are leveraged and not duplicated.

Merced County Mental Health has played a key role over the past year by designating a staff member to serve on the Board as a liaison between the department and homeless clients/service providers experiencing barriers in receiving assistance. Mental Health had a significant presence in the most recent Project Homeless Connect event. They were able to assess people experiencing homelessness on the spot and get them connected to services immediately. These linkages have increased the community's efforts to avoid discharge into homelessness as well as serve the existing homeless population.

The City also participated in the Homeless Connect — an outreach event that brings together multiple agencies to provide information and assist individuals currently experiencing homelessness. Additionally, Housing Staff has spoken with homeless individuals interested in becoming first time homebuyers. In addition to the actions listed above, the City will continue to enhance coordination and work with the Housing Authority of Merced County, United Way, housing and service providers, and faith based organizations, to identify services, housing and other needs. Other public agencies that work together to increase Merced's supply of affordable housing includes: Central Valley Coalition for Affordable Housing and Habitat for Humanity.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Lack of an effective multi-lingual mortgage counseling program

While there had been a credit counseling program for families facing foreclosure offered at the Central Valley Coalition for Affordable Housing, the City's Fair Housing agency, budget cuts resulted in the elimination of that position in smaller communities. However, the City of Merced has contracts with Habitat for Humanity – Stanislaus County, Project Sentinel, and Community Housing Council of Fresno to provide first time homebuyers HUD approved counseling. There still remains the lack of a local mortgage counselor to address this impediment. Due to continued budget constraints, the City's only course of action at this time is to encourage and provide mortgage counseling programs to first time homebuyers in neighboring communities.

Insufficient supply of affordable rental housing

The City of Merced has identified providing affordable housing as a priority in the City's Housing Element. While the City is not a provider of affordable housing, it does assist developers with affordable housing funding. Due to financial constraints, the City was not able to enter into any contracts with developers for construction of new affordable housing units. With the department's limited resources, staff is currently pursuing rehabilitation of existing affordable rental units and leveraging other City monies to assist with financing new construction.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Monitoring of activities revealed the need for more on-site visitation and improved reporting procedures. For some activities, their programs only function on the weekends, which staff accommodated and monitored when possible.

Policy changes include on-site visits with monitoring reporting sheets. Monitoring will be done for every activity at least once per year, every house at least five times during possession by the city, and housing projects at least once per every three years.

The Housing Division staff continues to seek out training opportunities offered by HUD. Whether the trainings through a webinar or in-person, staff has continued to seek applicable trainings. Provided the travel cost for in-person training is feasible, staff is given the opportunity to attend. More recently staff has begun to attending Affordable Housing Conferences as a stay current with housing rules, regulations and market trends. Additionally, attending these conferences has also allowed staff to network with other non-profit and for-profit developers. Whether it's through training or a conference, staff has used these resources to ensure compliance with HUD requirements. Since 2011 staff has worked to ensure the solicitation of new programs. This is outreach effort is reflective with variety of public service applications funded in each of the past four Annual Action Plans as they all contained new programs. Lastly, staff improved monitoring efforts with the monitoring of all our public service projects and four affordable housing projects this year.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Staff made a concerted effort to reach out to the community for comments and input about the CAPER for fiscal year 2016-17. The public was notified of the CAPER's availability through notifications in two newspapers, at public meetings, and the public hearing.

The availability of the FY 2016-17 CAPER and a request for comments was publicly noticed in the following ways:

- Notices were posted at the Merced Civic Center on August 21, 2017.
- August 17, 2017 - Public Notices were published in the Merced Sun-Star.
- August 17, 2017 - Public Notices were published in the Merced County Times.
- September 7, 2017 - Community Meeting at City Hall in the Engineering/Housing Conference Room.
- September 5, 2017 – Meeting Date – at City Hall, meeting to gather comments from the public and Council and set a public hearing.
- September 18, 2017 – Public Hearing at City Hall, Public Hearing requesting Council action.

City Council considered two (2) projects that required budget modifications to the 2016 HUD Annual Action Plan. The projects were either new projects not originally included in the originally adopted budget of the 2016 HUD Annual Action Plan or were amendments to the existing projects. Attached is a list of the project modifications approved by City Council during the 2016-17 Fiscal Year.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

Priorities identified in the 2015-2020 Consolidated Plan were implemented. The City takes a proactive approach and continually evaluates programs, projects and activities to ensure they are meeting targeted goals as well as keeping in line with current levels of funding. As a result of our experience, difficult and strategic recommendations are made to City Council. For example, when funding is not moving quickly, an alternate priority need project or program is recommended. Council gives the City Manager the authority to redirect funds based upon certain criteria or timelines. As with CDBG, the timely expenditure ratios are monitored and HOME commitment and expenditure deadlines are monitored.

Staff also directs funding toward core programs established during the previous year and identified within the 2015-2020 ConPlan.

The City of Merced continues to use CDBG funds toward affordable housing, a suitable living environment, ADA improvements to public infrastructure, public/social services, and the repayment of Section 108 loan. The reallocation of funding occurs throughout the year for both CDBG and HOME.

Staff reviews and meets with project managers on a regular basis. The City's Citizens Participation Plan allows minor and technical amendments to be reviewed and authorized by the City Manager. All substantial amendments, resulting in a reallocation of funding over \$29,000 and contractual amendments, were taken to City Council through a public hearing as well community meetings for input.

Objectives have not changed, however, as a result of the needs identified through public meetings with non-profit housing and service providers, HOME funding was approved to assist in meeting the needs of Merced homeless population. The City and County discuss the concept of leveraging CDBG funds with Housing Authority funds to ensure homeless would receive funds needed for deposits from the City and on-going section 8 rental assistance from the Housing Authority of Merced County. The program would be made available to the 100 most chronically homeless individuals as identified through the Merced COC HMIS system. The program will be administered by the Housing Authority next fiscal year.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

Areas monitored included the sub-recipient and administrative contractor programs. None of the programs monitored had a finding. However, many of the programs were required to submit additional information related to the program. Other monitoring that was conducted, related to Low Mod Housing Assets (former RDA Assets), and is not reported herein.

The City also closely monitors progress of projects with Habitat for Humanity Homeowner Rehabilitation program, Capital Improvement Projects with the Engineering Division, as well as fiscal audits from our large multi-family residential projects. This includes regulations listed under 24 CFR 92, Subparts E and F. During this year, staff participated in pre bid meetings for all the Public Improvement projects utilizing CDBG monies.

**Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units.
92.351(b)**

The City of Merced continues to follow the Affirmative Marketing Policy as outlined in the Consolidated Plan and monitors compliance with the Policy by the City and participating property owners on an annual basis.

The City of Merced Housing Division shall be responsible for implementing the Affirmative Marketing Policy and evaluating its effectiveness concurrently with the HOME Program:

- The Housing Division shall inform the public about the Affirmative Marketing Policy through handouts and application forms, periodic advertisements in general circulation newspapers, and regularly scheduled public meetings.
- The City shall at times display informational posters in the Merced City Hall Lobby, open to the public. All graphic presentations concerning the HOME Program shall display the HUD Equal Housing Opportunity logo or slogan.
- The owners of buildings selected for rehabilitation shall likewise be informed about the City's Affirmative Marketing Policy at the time that an application is submitted to the Housing Division.
- The City shall also provide tenants and rental property owners with copies of the "Landlord-Tenant Fact Sheet" produced by the State Department of Consumer Affairs.

- The City shall continue its practice of providing general information and telephone reference numbers to persons contacting the Housing Division with questions regarding affirmative marketing, federal fair housing, tenant's rights, assisted housing, and correction of substandard conditions in tenant-occupied dwellings.

The City shall continue the services of the Fair Housing Services provider (Project Sentinel) for all Merced residents. Some of the services provided by Project Sentinel include: seminars, educational pamphlets, and counselors to assist renters and landlords with any fair housing questions or problems.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

Approved by City Council was the use of HOME Investment Partnership Program funding for the Homeowner Rehabilitation Forgivable Loan Program. Additional PI was approved by Council to be directed toward the construction of 50 unit affordable housing project located at 13th and K Street. These funds were directed toward beneficiaries with incomes at or below 80% of the area median income. Results will be reflected in next year's CAPER.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

The HOME program objectives continue with promoting, maintaining and providing affordable housing by working with Affordable Housing Developers and non-profit organizations, such as Habitat for Humanity, Sierra Saving Grace, and Central Valley For Affordable Housing on the development of a 50 unit multi-family project.

2015	Students received training in setting up a campsite which included tents and a cook area with cook stoves. They hiked and learned how to sanitize their drinking water. They learned how to help each other on the trails and encouraged each other on the hike. These students were able to enjoy an overnight experience in the wilderness, many of whom had never camped or even hiked before. They all enjoyed their time very much and would like to go again.

2015	By intervening at the root cause of behavior instead of the symptomatic level, Youth I Can effectively redirects youth behavior in positive, constructive directions. By increasing awareness of the negative impact emotions and reactionary decisions play in generating destructive behaviors, Youth I Can guides participants through controlling their behavior by recognizing the differences between emotionally driven and intellectually driven behavior. Ultimately developing them into community leaders and youth advocates for youth inclusion in local government. The program provided a safe environment after school and during the summer.

2016	This program helped individuals/families who are homeless or at risk of being homeless to secure or maintain housing. The funding will assist with security deposits to allow the individuals/families to obtain housing. Unfortunately the program started later than expected and the program guidelines were too narrow focused to assist the anticipated number of cliental. They did not contact the Housing Division until late June to discuss how to amend their program to help serve more clients.

HOME APR & MATCH Report

Annual Performance Report
HOME ProgramU.S. Department of Housing
and Urban Development
Office of Community Planning
and DevelopmentOMB Approval No. 2506-0171
(exp. 8/31/2009)

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

This form is intended to collect numeric data to be aggregated nationally as a complement to data collected through the Cash and Management Information (CMI) System. Participants should enter the reporting period in the first block. The reporting period is October 1 to September 30. Instructions are included for each section if further explanation is needed.

Submit this form on or before December 31.	This report is for period (mm/dd/yyyy)		Date Submitted (mm/dd/yyyy)
Send one copy to the appropriate HUD Field Office and one copy to: HOME Program, Rm 7176, 451 7th Street, S.W., Washington D.C. 20410	Starting 07/01/2016	Ending 06/30/2017	08/30/2017

form HUD-40107-A (12/94)

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

Instructions for the HOME Match Report

Applicability:

The HOME Match Report is part of the HOME APR and must be filled out by every participating jurisdiction that incurred a match liability. Match liability occurs when FY 1993 funds (or subsequent year funds) are drawn down from the U.S. Treasury for HOME projects. A Participating Jurisdiction (PJ) may start counting match contributions as of the beginning of Federal Fiscal Year 1993 (October 1, 1992). A jurisdiction not required to submit this report, either because it did not incur any match or because it had a full match reduction, may submit a HOME Match Report if it wishes. The match would count as excess match that is carried over to subsequent years. The match reported on this form must have been contributed during the reporting period (between October 1 and September 30).

Timing:

This form is to be submitted as part of the HOME APR on or before December 31. The original is sent to the HUD Field Office. One copy is sent to the

Office of Affordable Housing Programs, CGHF
Room 7176, HUD, 451 7th Street, S.W.
Washington, D.C. 20410.

The participating jurisdiction also keeps a copy.

Instructions for Part II:

1. **Excess match from prior Federal fiscal year:** Excess match carried over from prior Federal fiscal year.
2. **Match contributed during current Federal fiscal year:** The total amount of match contributions for all projects listed under Part III in column 9 for the Federal fiscal year.

3. **Total match available for current Federal fiscal year:** The sum of excess match carried over from the prior Federal fiscal year (Part II, line 1) and the total match contribution for the current Federal fiscal year (Part II, line 2). This sum is the total match available for the Federal fiscal year.
4. **Match liability for current Federal fiscal year:** The amount of match liability is available from HUD and is provided periodically to PJs. The match must be provided in the current year. The amount of match that must be provided is based on the amount of HOME funds drawn from the U.S. Treasury for HOME projects. The amount of match required equals 25% of the amount drawn down for HOME projects during the Federal fiscal year. Excess match may be carried over and used to meet match liability for subsequent years (see Part II line 5). Funds drawn down for administrative costs, CHDO operating expenses, and CHDO capacity building do not have to be matched. Funds drawn down for CHDO seed money and/or technical assistance loans do not have to be matched if the project does not go forward. A jurisdiction is allowed to get a partial reduction (50%) of match if it meets one of two statutory distress criteria, indicating "fiscal distress," or else a full reduction (100%) of match if it meets both criteria, indicating "severe fiscal distress." The two criteria are poverty rate (must be equal to or greater than 125% of the average national family poverty rate to qualify for a reduction) and per capita income (must be less than 75% of the national average per capita income to qualify for a reduction). In addition, a jurisdiction can get a full reduction if it is declared a disaster area under the Robert T. Stafford Disaster Relief and Emergency Act.

5. **Excess match carried over to next Federal fiscal year:** The total match available for the current Federal fiscal year (Part II, line 3) minus the match liability for the current Federal fiscal year (Part II, line 4). Excess match may be carried over and applied to future HOME project match liability.

Instructions for Part III:

1. **Project No. or Other ID:** "Project number" is assigned by the C/MI System when the PJ makes a project setup call. These projects involve at least some Treasury funds. If the HOME project does not involve Treasury funds, it must be identified with "other ID" as follows: the fiscal year (last two digits only), followed by a number (starting from "01" for the first non-Treasury-funded project of the fiscal year), and then at least one of the following abbreviations: "SF" for project using shortfall funds, "PI" for projects using program income, and "NON" for non-HOME-assisted affordable housing. Example: 93.01.SF, 93.02.PI, 93.03.NON, etc.

Shortfall funds are non-HOME funds used to make up the difference between the participation threshold and the amount of HOME funds allocated to the PJ; the participation threshold requirement applies only in the PJ's first year of eligibility. [§92.102]

Program income (also called "repayment income") is any return on the investment of HOME funds. This income must be deposited in the jurisdiction's HOME account to be used for HOME projects. [§92.503(b)]

- Non-HOME-assisted affordable housing is investment in housing not assisted by HOME funds that would qualify as "affordable housing" under the HOME Program definitions. "NON" funds must be contributed to a specific project; it is not sufficient to make a contribution to an entity engaged in developing affordable housing. [§92.219(b)]
2. **Date of Contribution:** Enter the date of contribution. Multiple entries may be made on a single line as long as the contributions were made during the current fiscal year. In such cases, if the contributions were made at different dates during the year, enter the date of the last contribution.
 3. **Cash:** Cash contributions from non-Federal resources. This means the funds are contributed permanently to the HOME Program regardless of the form of investment the jurisdiction provides to a project. Therefore all repayment, interest, or other return on investment of the contribution must be deposited in the PJ's HOME account to be used for HOME projects. The PJ, non-Federal public entities (State/local governments), private entities, and individuals can make contributions. The grant equivalent of a below-market interest rate loan to the project is eligible when the loan is not repayable to the PJ's HOME account. [§92.220(a)(1)] In addition, a cash contribution can count as match if it is used for eligible costs defined under §92.206 (except administrative costs and CHDO operating expenses) or under §92.209, or for the following non-eligible costs: the value of non-Federal funds used to remove and relocate ECHO units to accommodate eligible tenants, a project reserve account for replacements, a project reserve account for unanticipated increases in operating costs, operating subsidies, or costs relating to the portion of a mixed-income or mixed-use project not related to the affordable housing units. [§92.219(c)]
 4. **Foregone Taxes, Fees, Charges:** Taxes, fees, and charges that are normally and customarily charged but have been waived, foregone, or deferred in a manner that achieves affordability of the HOME-assisted housing. This includes State tax credits for low-income housing development. The amount of real estate taxes may be based on the post-improvement property value. For those taxes, fees, or charges given for future years, the value is the present discounted cash value. [§92.220(a)(2)]
 5. **Appraised Land/Real Property:** The appraised value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of land or other real property, not acquired with Federal resources. The appraisal must be made by an independent, certified appraiser. [§92.220(a)(3)]
 6. **Required Infrastructure:** The cost of investment, not made with Federal resources, in on-site and off-site infrastructure directly required for HOME-assisted affordable housing. The infrastructure must have been completed no earlier than 12 months before HOME funds were committed. [§92.220(a)(4)]
 7. **Site preparation, Construction materials, Donated labor:** The reasonable value of any site-preparation and construction materials, not acquired with Federal resources, and any donated or voluntary labor (see §92.354(b)) in connection with the site-preparation for, or construction or rehabilitation of, affordable housing. The value of site-preparation and construction materials is determined in accordance with the PJ's cost estimate procedures. The value of donated or voluntary labor is determined by a single rate ("labor rate") to be published annually in the Notice Of Funding Availability (NOFA) for the HOME Program. [§92.220(6)]
 8. **Bond Financing:** Multifamily and single-family project bond financing must be validly issued by a State or local government (or an agency, instrumentality, or political subdivision thereof). 50% of a loan from bond proceeds made to a multifamily affordable housing project owner can count as match. 25% of a loan from bond proceeds made to a single-family affordable housing project owner can count as match. Loans from all bond proceeds, including excess bond match from prior years, may not exceed 25% of a PJ's total annual match contribution. [§92.220(a)(5)] The amount in excess of the 25% cap for bonds may carry over, and the excess will count as part of the statutory limit of up to 25% per year. Requirements regarding bond financing as an eligible source of match will be available upon publication of the implementing regulation early in FY 1994.
 9. **Total Match:** Total of items 3 through 8. This is the total match contribution for each project identified in item 1.
- Ineligible forms of match include:**
1. Contributions made with or derived from Federal resources e.g. CDBG funds [§92.220(b)(1)]
 2. Interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits [§92.220(b)(2)]
 3. Contributions from builders, contractors or investors, including owner equity, involved with HOME-assisted projects. [§92.220(b)(3)]
 4. Sweat equity [§92.220(b)(4)]
 5. Contributions from applicants/recipients of HOME assistance [§92.220(b)(5)]
 6. Fees/charges that are associated with the HOME Program only, rather than normally and customarily charged on all transactions or projects [§92.220(a)(2)]
 7. Administrative costs

Plan IDIS Year Project	Project Title and Description		Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw	Amount Drawn in Report Year
2016 17	Gateway Terrace II Apartments - Central Valley Coalition for Affordable Housing (CHDO)	Gateway Terrace II Apartments consists of 50 units of new construction multi-family housing on an approximately 1.65 acre site. It is located on K Street between 12th and 13th Streets in the City of Merced, County of Merced, APN #032-323-002. The Housing Authority of the County of Merced previously owned and operated rental public housing units on this site, which were demolished in 2009. The site has been graded and is ready for new construction. Our target population is existing and future income qualified families in Merced and the surrounding areas. 100% of the units will be rent restricted for qualified residents with incomes ranging from 50% to 60% of the area median income for a 55-year affordability period. We are also anticipating eleven (11) HUD-Veterans Affairs Supportive Housing (HUD-VASH) vouchers and thirty-eight (38) HUD Project Based Vouchers (PBVs) committed to the project.	CDBG	\$370,590.00	\$370,590.00	\$0.00	\$370,590.00	\$0.00
		Gateway Terrace II Apartments, will consist of 49 affordable units and 1 manager unit for a total of 50 garden style apartments with 17 units at 50% of AMI and 32 units at 60% of AMI. The project will consist of 12 one bedroom units, 21 two bedroom units and 17 three bedroom units. These funds will be used to reimburse the City of Merced for administrative expenses associated with the implementation of the CDBG activities.	HOME	\$1,014,410.00	\$30,000.00	\$0.00	\$30,000.00	\$0.00

**PUBLIC NOTICE FOR HOUSING AND URBAN DEVELOPMENT
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION
REPORT (CAPER)**

A Hearing will be held before the Merced City Council at 6:00 P.M. on Monday, September 18, 2017, to review the Consolidated Annual Performance and Evaluation Report (CAPER) for the Fiscal Year 2016/17. At that meeting, input will be taken from the public regarding the CAPER and the revised expenditure recommendations for Community Development Block Grant (CDBG) funds.

The CAPER document summarizes how the City spent Federal funds on affordable housing and community service projects and programs to benefit low and moderate income residents. Please feel free to pick up a copy at the City of Merced Housing Program, third floor, Merced Civic Center, 678 W. 18th Street. Spanish and Chinese access to the document is available upon request.

The City of Merced's HUD Consolidated Annual Performance and Evaluation Report (CAPER) is for the period of July 1, 2016 through June 30, 2017. A draft version of this document will be available from September 1, 2017 to September 18, 2017 for review and comment. For additional information, please contact the City of Merced Housing Program at (209) 385-6863 or e-mail DanielBarrington@cityofmerced.org.

The City of Merced is seeking input from citizens regarding whether the City was able to achieve the Housing Goals and Outcomes identified in the 2016 HUD Annual Action Plan for the Fiscal Year 2016/17. A public meeting will be held on September 7, 2017.

The neighborhood meeting is scheduled at location shown below.
