History: The Criterium began in 1987, as a part of the San Joaquin Series, a set of races designed for the U.S. National Team (then at training camp near Fresno) as tune-up events before heading east to the big Spring races each year, and has developed into one of the most popular race weekends in the State, along with the previous day's Snelling Road Race. Many riders have come through the Merced Criterium over the years.

Insurance and Medical: Liability Insurance naming the City and County will be provided via the USA Cycling Organization (\$1,000,000 per occurrence and \$3,000,000 aggregate). The event has a first aid station staffed with EMTs. Riders are covered under medical insurance from the USAC.
