Describe Concerns At This Location:
Due to more and more cars are parked on Baxter Ct. I'm asking the city of Merced to destinate a handicap spot in front of my house on 1368 Baxter Ct. I am 74 year old disable veteran and my wife is 72 also is disable. My vehicle is a Ford truck F150 that I park in front of my house daily. The parking space in front of my house only fits one vehicle and on a nightly basis differnt vehicles parked in front of my house which forces me to parked on my driveway. The angle of driveway slope makes it difficult to get in and out of my vehicle. Parking on the street in front of my house makes the world of a difference because of the level surface.
