

SIGNATURE VERIFICATION CERTIFICATE

I, Melvin E. Levey, **Registrar of Voters** of the **County of Merced, State of California**, hereby certify:

Initiative Title

Measure C (Committee for a Safer Merced)

has been filed with this office on **August 22, 2023** that the said petition consists of

205 sections;

That each section contains signatures purporting to be signatures of qualified electors of this county;

That attached to this petition at the time it was filed, was an affidavit purporting to be the affidavit of the person who solicited the signatures, and containing the dates between which the purported qualified electors signed this petition;

That the affiant stated his or her own qualification, that he or she had solicited the signatures upon the section, that all of the signatures were made in his or her presence, and that to the best of his or her own knowledge and belief, each signature to that section was the genuine signature of the person whose name it purports to be;

That after the proponent filed the petition, I verified the required number of signatures by examining the records of registration in this county, current and in effect at the respective supportive dates of such signing, to determine what number of qualified electors signed the petition, and from that examination I have determined the following facts regarding this petition:

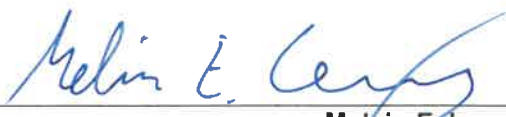

1. Number of unverified signatures filed by proponent (**raw count**)
 2. Number of verified signatures
- Number of signatures found **SUFFICIENT**
- Number of signatures found **INSUFFICIENT**
- INSUFFICIENT because of **DUPLICATE**
