

# City of Merced

RQ#: 24-43

## Citizen Action Request Form: Traffic Committee

Contact Person: Ashley Marie Suarez Day Phone: [REDACTED]

Email Address: [REDACTED]

Address: [REDACTED] Today's Date: 8/16/24

Location of Concern (map attachments and photographs are encouraged):

Meadows Ave and Loughborough Dr. "T" intersection; 4 attachments

Describe Concerns At This Location:

Motorists drive fast through this intersection everyday. Since the beginning of the year, there have been multiple accidents, about 15-20, that were either witnessed or heard. Many kids play in the area and the concern is that there will be a pedestrian-vehicle accident. Resident nearby would like to see a speed bump or other traffic calming measures to avoid future accidents. There is currently no visible crosswalk markings which makes it dangerous for the community members to get to nearby businesses. There is limited visibility for drivers approaching the stop sign on Meadows Ave due to the cars parked to the left. Resident would like to see better pedestrian infrastructure for crosswalks, have the city enforce the parking laws prohibiting vehicles from parking near unmarked crosswalks, and install another stop sign on Loughborough Dr. to make the "T" intersection a "3-way stop".
