Dear Mike,

The purpose of this letter is to advise you that I will need to resign from the Parks & Recreation Commission as of today, July 20, 2015. The reason for this decision is solely due to my appointment to the Merced County Civil Grand Jury.

At the time of my application I was unaware of the meeting times of the Grand Jury. As it turns out, the meetings are Monday evenings.

Thank you and the staff of the Parks & Recreation Department as well as my fellow Commission members for the time spent with me on the workings of the Department.

Sincerely,

A handwritten signature in black ink, appearing to read 'Shawn Dwyer', written over the printed name.
