

MINUTES EXCERPT
SITE PLAN REVIEW COMMITTEE
NOVEMBER 12, 2015

- 4.3 Site Plan Application #391, submitted by David McGhee on behalf of himself, Suzanne McGhee, Timothy Reusch, and Anita Reusch, property owners, to allow the construction of a 10,000-square-foot automotive shop, a future 4,750-square-foot shell building, and associated parking on a 1.1-acre vacant parcel located at 1535 W. 14th Street, within a General Commercial (C-G) Zone.

Planner MENDOZA-GONZALEZ reviewed the application for this item. For further information, refer to Draft Site Plan Review Committee Resolution #391.

The applicants informed the Committee that they would like to obtain design approval for the proposed shell building with this request. Initially, the applicants wanted design approval for the automotive shop only, but recent financing opportunities may allow them to construct the shell building sooner than expected. The shell building would be consistent with the proposed automotive shop using the same materials and a similar design.

The Committee had no issues with this request. They recommended adding Condition #30 so that Planning staff can review the design of the shell building during the building permit stage.

Chairperson GONZALVES mentioned that Condition #15 should be corrected to show that the “Fire Department” will be responsible for reviewing the fire service water line, not the “Public Works Department.”

Moreover, Committee Member CARDOSO noted that the subject site may not have a sidewalk easement along 14th Street. He recommended adding Condition #31 so that a sidewalk easement would be created if there wasn’t one there.

Committee Member CARDOSO was concerned that W. 14th Street may not be wide enough to accommodate driving lanes and on-site parking (on both sides of the street). Chairperson GONZALVES recommended adding Finding G so that the Traffic Committee can review these matters and consider prohibiting parking on the south side of W. 14th Street (as the south side of the

street is adjacent to an on-ramp for Highway 99 while the north side is adjacent to businesses) if needed.

M/S STEPHENSON-GONZALVES, and carried by the following vote, to adopt a Categorical Exemption regarding Environmental Review #15-32, and approve Site Plan Application #391, subject to the Findings and twenty-nine (29) conditions set forth in the Draft Resolution #391 with the additions of Finding G, Condition #30, and Condition #31 and a modification to Condition #15:

(Note: ~~Strikethrough~~ deleted language, underline added language.)

"G) The Site Plan Committee shall refer the consideration for no parking on the south side of W. 14th Street to the Traffic Committee.

"15. A fire service water line shall be installed on-site as required by the ~~Building~~ Fire Department.

"30. The proposed shell building shall be similar in design and materials to the auto shop building. Details to be worked out with Planning staff at the building permit stage.

"31. If the sidewalk is not already in an easement, then the developers shall dedicate an easement to the City for sidewalk purposes."

AYES: Committee Members Cardoso, Stephenson, and Chairperson Gonzalves
