

CITY OF MERCED
Planning Commission

Resolution #3033

WHEREAS, the Merced City Planning Commission at its regular meeting of August 20, 2014, held a public hearing and considered **Vesting Tentative Subdivision Map #1302 (“Mansionette Estates Unit 5”)**, initiated by Fremming, Parson, and Pecchenino, a Quad Knopf Company, applicant for Della Wathen, property owner. This application involves the subdivision of a 5.92-acre parcel into 20 single-family lots generally located at the southeast corner of Mercy Avenue and Mansionette Drive, within an R-1-6 zone. This application also includes a request to allow a deviation from City Standard D-8 and ST-1. City Standard D-8 limits the amount of lot frontage open for a driveway approach to 50% of the lot width. The deviation would allow up to 77% of the lot width to be open for a driveway approach. City Standard St-1 requires a park strip on local roads. The deviation would allow a 49’ right-of-way with no park strip (the sidewalk would be adjacent to the curb); also known as Assessor’s Parcel No. 231-040-001; and,

WHEREAS, the Merced City Planning Commission concurs with Findings A through L of Staff Report #14-11; and,

NOW THEREFORE, after reviewing the City’s Initial Study and Draft Environmental Determination, and fully discussing all the issues, the Merced City Planning Commission does resolve to hereby adopt a Negative Declaration regarding Environmental Review #13-07, and approve Vesting Tentative Subdivision Map #1302, subject to the Conditions set forth in Exhibit A attached hereto and incorporated herein by this reference.

Upon motion by Commissioner Padilla, seconded by Commissioner Smith, and carried by the following vote:
