- B. Owner desires and has heretofore in writing requested City to furnish water service to his real property.

STATED IN THIS DOCUMENT,

City agrees to furnish water service for the benefit of Owner's real property hereinafter described. The obligations of Owner stated in this agreement are covenants running with the land, and are intended by City and by Owner to be binding upon Owner and Owner's heirs, administrators, assignees and successors in interest in the land described herein.

1. Owner hereby covenants and binds himself and his successors in interest to annex said real property to City when the City Council determines that such annexation shall be made, and Owner hereby acknowledges that this writing is a request and a consent by him to so annex the said real property, and Owner for himself and his successors in interest further agrees not

to protest the annexation of said property either by itself or as part of a larger parcel of land and hereby specifically waives the provisions of all sections of law now existing or hereafter to be enacted permitting protests to be filed in annexation proceedings.

2. Owner agrees to pay to City a water facilities charge in such amount as is established by the City ordinance in effect at the time of connection to the water system.

5. Owner agrees to pay to City, at the time the application is made, such sum as is estimated to cover the cost, including but not limited to, costs of labor, materials, equipment and overhead needed in making the water connections and extending same to the property line.

6. If the City Council shall hereafter enact or adopt any other or additional charges, fees or other requirements related to water service, annexation or any other aspect of the subject matter of this agreement, Owner agrees to pay or perform the same in the same manner and to the same extent as any other person similarly situated.

City may impose other or different conditions upon such approval, or may deny the same in City's sole discretion. The City Council has the right to delegate authority to one or more designated persons to amend this agreement as to the type of use or the number of connections which may be made. Until or unless such delegation of authority is affected by resolution or ordinance, amendment of this agreement requires the approval of the City Council.

8. Owner agrees to cause all future improvements and construction on said property to conform to the subdivision, zoning, housing, plumbing, electrical, building, fire, park dedication and other codes, ordinances and regulations of City, including payment of fees stipulated therein.
