Interests & Experiences

Tell us about yourself, and why you are applying for this particular Board or Commission:

I am a 4th year Management and Business and Economics Major and Spanish Minor student at UC Merced, I am originally from San Diego. I am applying for the Bicycle Advisory Commission for the fact that I am very passionate about cycling and I really enjoy seeing Merced grow as I have been here. With that being said I would like to join in order to help build on something that I am passionate about.

What is your understanding of the roles and responsibilities of this Board or Commission?

The Bicycle Advisory Commission's members help improve conditions for cyclist and promote cycling as a form of transportation. If appointed as a member, I will help design improvement projects, update the bicycle mastery plan, and help educate and promote cycling to others.

Do you have experience or special knowledge pertaining to the areas of interest?

I am currently the President of UC Merced Cycling Club and also a Co-Founder and Secretary of the UC Merced Cycling Team.

Any other comments you would like to add that may assist the City Council in their decision?

I feel that as a college student I am able to voice the opinions and concerns of those who are avid cyclist in the school. Having me on the board can have a positive impact on those who attend UC Merced, and can lead to hearing more issues that are going on within the cycling community.
