Said apparatus and equipment are to be built and shipped in accordance with the specifications hereto attached, delays due to strikes, war, or intentional conflict, failures to obtain chassis, materials, or other causes beyond our control not preventing, within about 365 TO 395 calendar days after receipt of this order and the acceptance thereof at our office at Appleton, Wisconsin, and to be delivered to you at MERCED, CALIFORNIA.

The specifications herein contained shall form a part of the final contract, and are subject to changes desired by the purchaser, provided such alterations are interlined prior to the acceptance by the company of the order to purchase, and provided such alterations do not materially affect the cost of the construction of the apparatus.

The proposal for fire apparatus conforms with all Federal Department of Transportation (DOT) rules and regulations in effect at the time of bid, and with all National Fire Protection Association (NFPA) Guidelines for Automotive Fire Apparatus as published at the time of bid, except as modified by customer specifications. Any increased costs incurred by first party because of future changes in or additions to said DOT or NFPA standards will be passed along to the customers as an addition to the price set forth above.

Any Purchase Order (PO) issued as a result of this proposal should be made out to Pierce Manufacturing Inc.

Unless accepted by May 31, 2017, the right is reserved to withdraw this proposition.

Respectfully Submitted,

Authorized Sales Representative
