Interests & Experiences

Tell us about yourself, and why you are applying for this particular Board or Commission:

I've been a proud resident of Merced for the last 5-years. One of my goals is to be a part of a committee committed to increasing Merced's beauty and culture. Local city art is an extension and reflection of its community. Merced is rich with culture and diversity. I believe Merced benefits from continuing art projects that are not only inviting to the community but also conveys its history, culture, and values to visitors/tourists from outside of Merced.

Please list your current employer and relevant volunteer experience.

I am a staff attorney with the Merced Superior Court. My volunteer work involves working with children, schools, and law enforcement. However, during high school, college, and law school, I was involved in many multi-cultural organizations that advanced the arts. For example, I worked on a South Asian American magazine that highlighted writings and art from South Asian students.

What is your understanding of the roles and responsibilities of this Board or Commission?

This Commission actively seeks opportunities and locations to display local art. It advises the city council and recommends art projects to enhance the city and community.

Do you have experience or special knowledge pertaining to this Board or Commission?

I have general experience working with community and school organizations.

Any other comments you would like to add that may assist the City Council in their decision?
