Interests & Experiences

Tell us about yourself, and why you are applying for this particular Board or Commission:

I feel that public art in Merced needs to stand out beyond other Cities in California. As the gateway to "crown-jewel" of the National Parks we must insist that our public art is on the level of other "destination-cities". World-Class art will not only be something our residents will be proud of, but also be an attraction for all the world to see while visiting Yosemite.

Please list your current employer and relevant volunteer experience.

I am the President/CEO of the Greater Merced Chamber of Commerce, and I most recently served as Community Relations Manager for the Sierra Health Foundation where I designed and open the Center for Health Program Management in downtown Merced.
