# Status of Vacation Request

- Bright Development is working with MID to deed the easement area to MID.
- One lot already sold on Veranda Ct. This property owner would have to agree to deed easement to MID as well.
- MID would have access to their easement area and it would not be part of the future homeowners property.
- This would be beneficial for maintenance and upkeep of the area as well as security of the area.

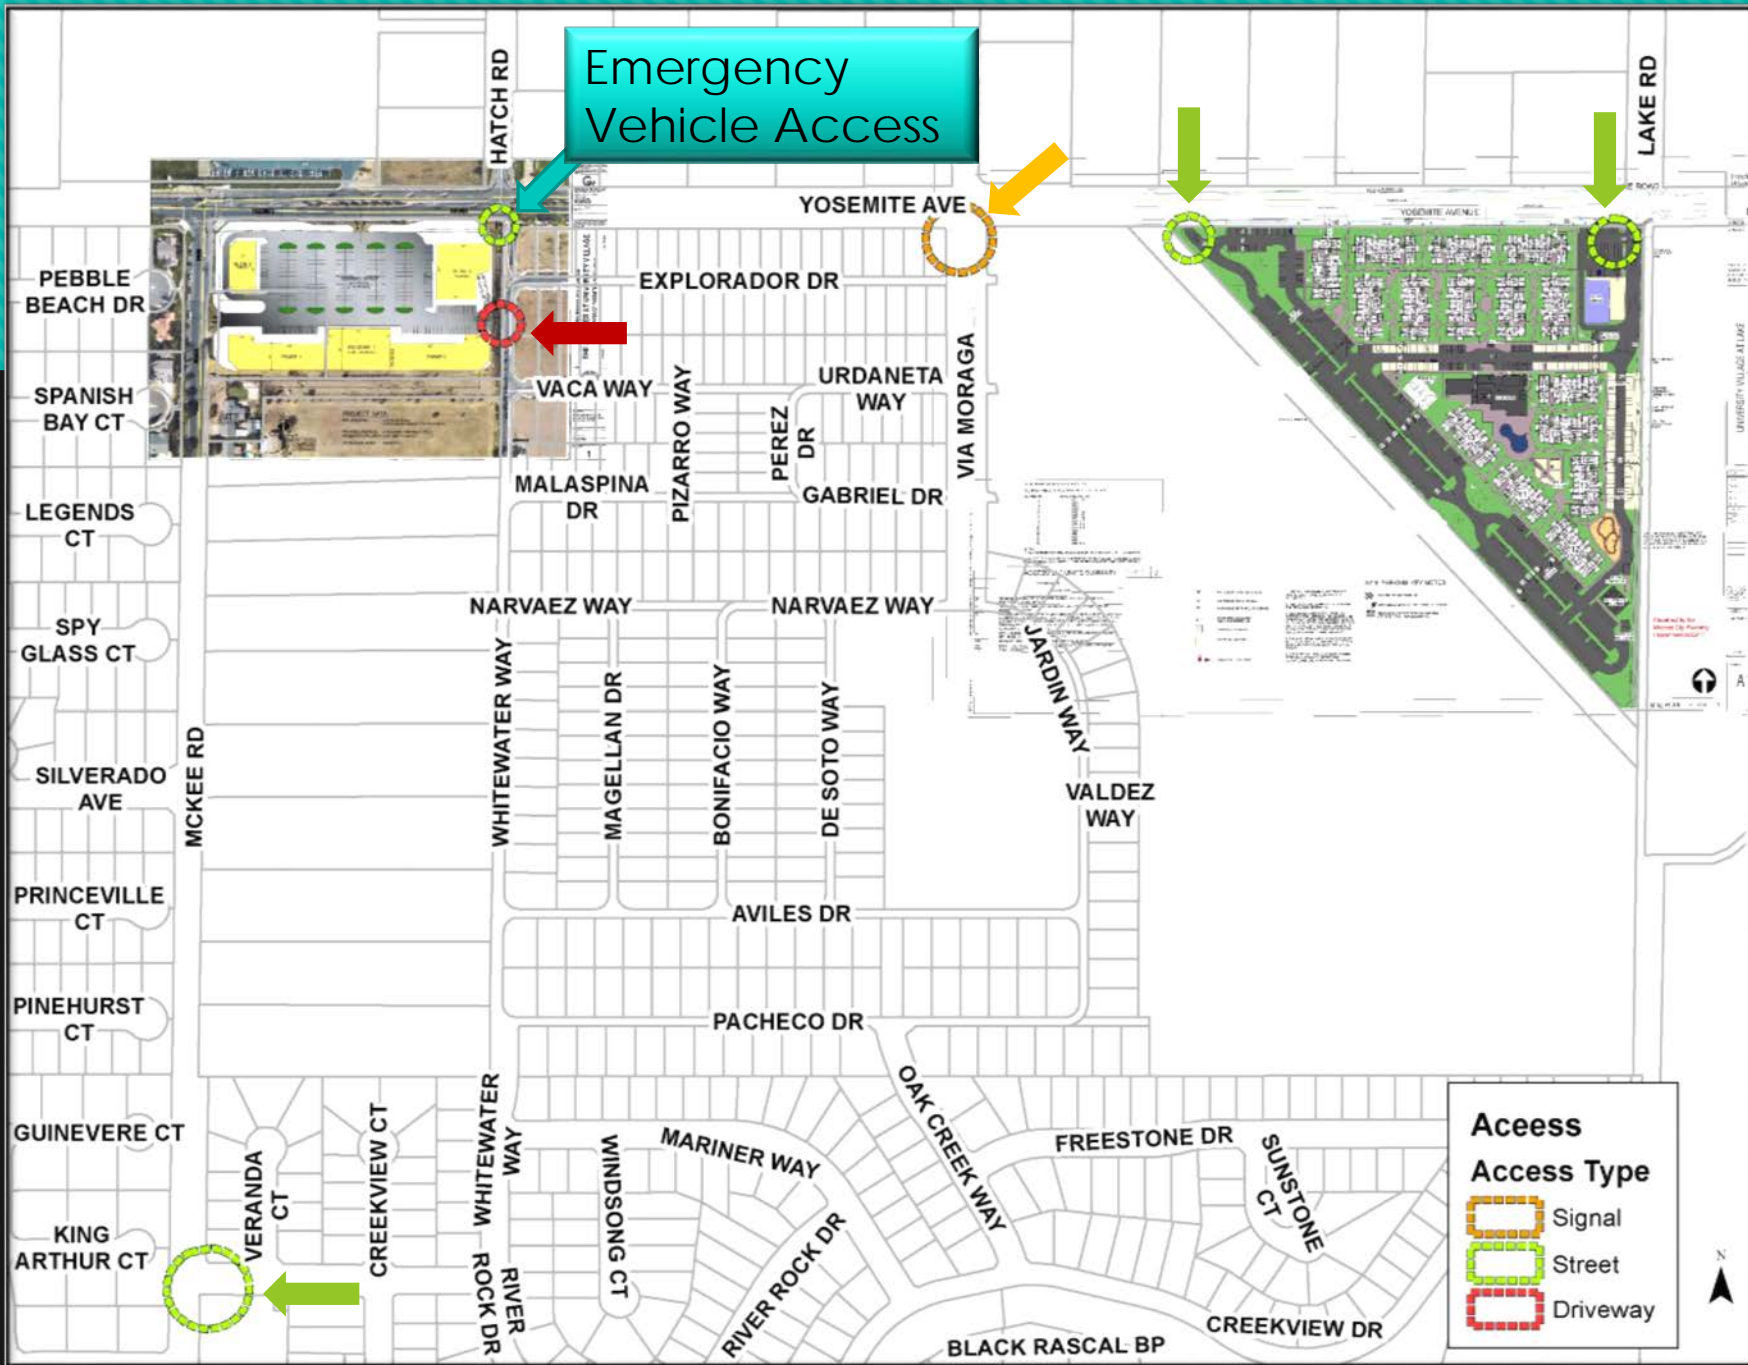

Staff is recommending this item be continued to January 7, 2019, to allow Bright and MID to reach an agreement.
