## **CITY OF MERCED Planning Commission**

#### **Resolution #3099**

WHEREAS, the Merced City Planning Commission at its regular meeting of August 8, 2018, held a public hearing and considered **Tentative Subdivision** Map #1307, initiated by Benchmark Engineering, on behalf of Baxter Ranches, LLC, property owner. The application is a request to change the General Plan designation for approximately 5.88 acres of land at the southwest corner of M Street and Arrow Wood Drive from Open Space/Park (OS) to Low-Medium Density Residential (LMD) to allow the construction of 43 single-family lots and to change the General Plan designation for approximately 5 acres of land located west of M Street and north of Arrow Wood Drive from Low-Medium Density Residential (LMD) to Open Space/Park (OS). The Site Utilization Plan Revision would change the land use designation for the 5.88 acres at M Street and Arrow Wood Drive from "Park" to "Single-Family Residential" and change the designation for the approximately 5.0 acres west of M Street and north of Arrow Wood Drive from "Single-Family Residential" to "Park." Vesting Tentative Subdivision Map #1307 would allow the subdivision of the 5.88 acres located at the southwest corner of M Street and Arrow Wood Drive into 43 single-family lots; also known as Assessor's Parcel No. 224-030-018; and,

**WHEREAS**, the Merced City Planning Commission concurs with Findings A through L of Staff Report #18-16; and,

**NOW THEREFORE**, after reviewing the City's Initial Study and Draft Environmental Determination, and fully discussing all the issues, the Merced City Planning Commission does resolve to hereby find that the previous environmental review [Environmental Impact Report (EIR) for the Bellevue Ranch Master Development Plan (SCH#9212055)] remains sufficient and no further documentation is required (CEQA Section 15162 Findings), and approve Vesting Tentative Subdivision Map #1307, subject to the Conditions set forth in Exhibit A attached hereto and incorporated herein by this reference.

# Conditions of Approval Planning Commission Resolution # 3099 Vesting Tentative Subdivision Map # 1307

- 1. The proposed project shall be constructed/designed as shown on Exhibit 1 (VTSM #1307), Attachment D of Staff Report #18-16, except as modified by the conditions.
- 2. The approval of the VTSM #1307 is subject to City Council approval of General Plan Amendment #18-01 and Site Utilization Plan Revision #13 to P-D #42 and will not become effective until the date of the City Council approval.
- 3. All conditions contained in Resolution #1175-Amended ("Standard Tentative Subdivision Map Conditions") shall apply.
- 4. The proposed project shall comply with all standard Municipal Code and Subdivision Map Act requirements as applied by the City Engineering Department.
- 5. All previously adopted conditions, mitigation measures, and guiding principles contained in Appendices D, E, and F of the Bellevue Ranch Master Development Plan (BRMDP) adopted by the Merced City Council on May 15, 1995, which are applicable to this project, shall apply to this tentative map and all subsequent final maps, improvement plans, building permits, and discretionary approvals.
- 6. All other applicable codes, ordinances, policies, etc. adopted by the City of Merced shall apply.
- 7. The developer/applicant shall indemnify, protect, defend (with counsel selected by the City), and hold harmless the City, and any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof, from any and all claims, actions, suits, proceedings, or judgments against the City, or any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof to attack, set aside, void, or annul, an approval of the City, or any agency or instrumentality thereof, advisory agency, appeal board, or legislative body, including actions approved by the voters of the City, concerning the project and the approvals granted herein. Furthermore, developer/applicant shall indemnify, protect, defend (with counsel selected by the City), and hold harmless the City, or any agency or instrumentality thereof, against any and all claims, actions, suits, proceedings, or judgments against any

governmental entity in which developer/applicant's project is subject to that other governmental entity's approval and a condition of such approval is that the City indemnify and defend such governmental entity. City shall promptly notify the developer/applicant of any claim, action, or proceeding. City shall further cooperate fully in the defense of the action. Should the City fail to either promptly notify or cooperate fully, the developer/applicant shall not thereafter be responsible to indemnify, defend, protect, or hold harmless the City, any agency or instrumentality thereof, or any of its officers, officials, employees, or agents.

- 8. The developer/applicant shall construct and operate the project in strict compliance with the approvals granted herein, City standards, laws, and ordinances, and in compliance with all State and Federal laws, regulations, and standards. In the event of a conflict between City laws and standards and a State or Federal law, regulation, or standard, the stricter or higher standard shall control.
- 9. Should any conflicts arise between the tentative map conditions contained herein and those conditions, mitigation measures, and guiding principles contained in the BRMDP, Appendices D, E, and F, or any other pertinent Sections/Appendices of the BRMDP, said conditions, mitigation measures, guiding principles, and sections/appendices shall take precedence.
- 10. All public improvements shall be provided along all new roadways and any damaged or missing improvements along M Street within the project area's frontage shall be repaired/replaced.
- 11. Developer shall construct full public improvements (including, but not limited to, curb and gutter, pavement, sidewalk and one drive approach per lot, street lights, landscaping, and utilities) on all new streets.
- 12. Fire hydrants shall be installed along street frontages to provide fire protection to the area. The hydrants shall meet all City of Merced standards and shall comply with all requirements of the City of Merced Fire Department. Final location of the fire hydrants shall be determined by the Fire Department.
- 13. Unless another funding mechanism is put into place, a fee of \$861 per dwelling unit shall be collected at time of building permit issuance to fund the future construction of the bridge at Fahrens Creek and Bellevue Road. This fee is in addition to all other permit and impact fees.

- 14. Prior to recordation of a final map, the dedication of Lot A as a park shall be vacated by the City. The applicant shall submit an application to the Planning Department to initiate this process.
- 15. The project shall comply with all the Post Construction Standards required to comply with state requirements for the City's Phase II MS-4 Permit (Municipal Separate Storm Sewer System).
- 16. The project shall comply with all requirements of the California Building Code and all flood requirements of the Federal Emergency Management Agency (FEMA). All necessary documentation related to the construction of the residential uses shall be provided at the building permit stage.
- 17. Prior to the recording of a final map, proper documentation shall be provided to the satisfaction of the City Engineer, showing how storm water will be managed on the site and directed to the City's storm water system. Storm water shall be collected on-site and metered into the City's system. The developer shall provide calculations to confirm there is capacity in the existing storm water system to serve the proposed project. If there is not sufficient capacity, the developer shall provide an alternative to using the existing lines and drainage basin.
- 18. The developer shall use proper dust control procedures during site development in accordance with San Joaquin Valley Air Pollution Control District rules.
- 19. Prior to final inspection of any home, all front yards and side yards exposed to public view shall be provided with landscaping to include, ground cover, trees, shrubs, and irrigation in accordance with Merced Municipal Code Section 20.36.050. Irrigation for all on-site landscaping shall be provided by a drip system or micro-spray system in accordance with the State's Emergency Regulation for Statewide Urban Water Conservation or any other state or City mandated water regulations dealing with the current drought conditions. All landscaping shall comply with the City's Water Efficient Landscape Ordinance (MMC Section 20.36.030).
- 20. Provide all utility services to each lot, including sanitary sewer, water, electric power, gas, telephone, and cable television. All new utilities are to be undergrounded.

- 21. Install appropriate street name signs and traffic control signs with locations, names, and types approved by the City Engineer.
- 22. Developer shall provide construction plans and calculations for all landscaping and public maintenance improvements. All such plans shall conform to City standards and meet approval of the City Engineer.
- 23. Per the BRMDP, all exterior building materials shall consist of stucco, masonry, or architectural grade wood siding, and roofing materials shall consist of tile, wood shake (with acceptable fire rating), and architectural composition shingles.
- 24. The building facades shall be of high quality design providing varied elevations and color schemes. All designs shall be consistent with the requirements of the BRMDP and Planned Development (P-D) #42.
- 25. At the building permit stage, the site plans for each lot shall include a minimum 3-foot by 6-foot concrete pad located in the side yard or backyard for the storage of 3 refuse containers.
- 26. All dwellings shall be designed to include fire sprinklers as required by the California Fire Code.
- 27. All garages shall have a minimum setback of 20 feet measured from the property line or back of sidewalk, whichever is closest to the front of the garage. Per the BRMDP, the setback for the living area portion of the house may be reduced to 15 feet and shall also be measured from the property line or back of sidewalk, whichever is closest to the living area portion of the house. Lot coverage shall not exceed 45% for all lots 6,000 square feet or larger and 55% for lots less than 6,000 square feet.
- 28. All mechanical equipment shall be screened from public view.
- 29. No residential driveways shall front any arterial or collector street.
- 30. A 6-foot-tall masonry wall and a minimum 10-foot-wide landscape strip shall be installed along M Street and Arrow Wood Drive consistent with the requirements of the Bellevue Ranch Master Development Plan.
