DIVISION 11. RULES OF THE ROAD [21000 - 23336]

(Division 11 enacted by Stats. 1959, Ch. 3.)

CHAPTER 10. Removal of Parked and Abandoned Vehicles [22650 - 22856]

(Chapter 10 enacted by Stats. 1959, Ch. 3.)

ARTICLE 1. Authority to Remove Vehicles [22650 - 22711]

(Article 1 enacted by Stats. 1959, Ch. 3.)

22710.

(a) A service authority for the abatement of abandoned vehicles may be established, and a one dollar (\$1) vehicle registration fee imposed, in a county if the board of supervisors of the county, by a two-thirds vote, and a majority of the cities having a majority of the incorporated population within the county have adopted resolutions providing for the establishment of the authority and imposition of the fee. The membership of the authority shall be determined by concurrence of the board of supervisors and a majority vote of the majority of the cities within the county having a majority of the incorporated population.

(b) The authority may contract and may undertake any act convenient or necessary to carry out a law relating to the authority. The authority shall be staffed by existing personnel of the city, county, or county transportation commission.

(c) (1) Notwithstanding any other provision of law, a service authority may adopt an ordinance establishing procedures for the abatement, removal, and disposal, as a public nuisance, of an abandoned, wrecked, dismantled, or inoperative vehicle or part of the vehicle from private or public property; and for the recovery, pursuant to Section 25845 or 38773.5 of the Government Code, or assumption by the service authority, of costs associated with the enforcement of the ordinance. Cost recovery shall only be undertaken by an entity that may be a county or city or the department, pursuant to contract with the service authority as provided in this section.

(2) (A) The money received by an authority pursuant to Section 9250.7 and this section shall be used only for the abatement, removal, or the disposal as a public nuisance of any abandoned, wrecked, dismantled, or inoperative vehicle or part of the vehicle from private or public property. The money received shall not be used to offset the costs of vehicles towed under authorities other than an ordinance adopted pursuant to paragraph (1) or when costs are recovered under Section 22850.5.

(B) The money received by a service authority pursuant to Section 9250.7 and this section that are unexpended in a fiscal year may be carried forward by the service authority for the abandoned vehicle abatement program in the following fiscal year as agreed upon by the service authority and its member agencies.

(d) (1) An abandoned vehicle abatement program and plan of a service authority shall be implemented only with the approval of the county and a majority of the cities having a majority of the incorporated population.

(2) (A) The department shall provide guidelines for an abandoned vehicle abatement program. An authority's abandoned vehicle abatement plan and program shall be consistent with those guidelines, and shall provide for, but not be limited to, an estimate of the number of abandoned vehicles, a disposal and enforcement strategy including contractual agreements, and appropriate fiscal controls.

(B) The department's guidelines provided pursuant to this paragraph shall include, but not be limited to, requiring each service authority receiving funds from the Abandoned Vehicle Trust Fund to report to the Controller on an annual basis pursuant to subdivision (c) of Section 9250.7, in a manner prescribed by the department, and pursuant to an approved abandoned vehicle abatement program.

(C) A service authority may carry out an abandoned vehicle abatement from a public property after providing a notice as specified by the local ordinance adopted pursuant to Section 22660 of the jurisdiction in which the abandoned vehicle is located and that notice has expired.

(3) After a plan has been approved pursuant to paragraph (1), the service authority shall, not later than August 1 of the year in which the plan was approved, submit it to the department for review, and the department shall, not later than October 1 of that same year, either approve the plan as submitted or make recommendations for revision. After the plan has received the department's approval as being consistent with the department's guidelines, the service authority shall submit it to the Controller.

(4) Except as provided in subdivision (e), the Controller shall not make an allocation for a fiscal year, commencing on July 1 following the Controller's determination to suspend a service authority when a service authority has failed to comply with the provisions set forth in Section 9250.7.

(5) A governmental agency shall not receive funds from a service authority for the abatement of abandoned vehicles pursuant to an approved abandoned vehicle abatement program unless the governmental agency has submitted an annual report to the service authority stating the manner in which the funds were expended, and the number of vehicles abated. The governmental agency shall receive that percentage of the total funds collected by the service authority that is equal to its share of the formula calculated pursuant to paragraph (6).

(6) Each service authority shall calculate a formula for apportioning funds to each governmental agency that receives funds from the service authority and submit that formula to the Controller with the annual report required pursuant to paragraph (2). The formula shall apportion 50 percent of the funds received by the service authority to a governmental agency based on the percentage of vehicles abated by that governmental agency of the total number of abandoned vehicles abated by all member agencies, and 50 percent based on population and geographic area, as determined by the service authority. When the formula is first submitted to the Controller, and each time the formula is revised thereafter, the

service authority shall include a detailed explanation of how the service authority determined the apportionment between per capita abatements and service area.

(7) Notwithstanding any other provision of this subdivision, the Controller may allocate to the service authority in the County of Humboldt the net amount of the abandoned vehicle abatement funds received from the fee imposed by that authority, as described in subdivision (b) of Section 9250.7, for calendar years 2000 and 2001.

(e) A plan that has been submitted to the Controller pursuant to subdivision (d) may be revised pursuant to the procedure prescribed in that subdivision, including compliance with any dates described therein for submission to the department and the Controller, respectively, in the year in which the revisions are proposed by the service authority. Compliance with that procedure shall only be required if the revisions are substantial.

(f) For purposes of this section, "abandoned vehicle abatement" means the removal of a vehicle from public or private property by towing or any other means after the vehicle has been marked as abandoned by an official of a governmental agency that is a member of the service authority.

(g) A service authority shall cease to exist on the date that all revenues received by the authority pursuant to this section and Section 9250.7 have been expended.

(h) In the event of a conflict with other provisions of law, this section shall govern the disbursement of money collected pursuant to this section and from the Abandoned Vehicle Trust Fund for the implementation of the abandoned vehicle abatement program.

(Amended by Stats. 2007, Ch. 389, Sec. 2. Effective January 1, 2008.)
