and the County of Merced
for Continuum of Care 2019-2020**

THIS AGREEMENT, entered this ____ day of _____, 2019, by and between the City of Merced (herein called the “Grantee”) and County of Merced. (herein called the “Subrecipient”).

WHEREAS, The Grantee has applied for and received funds from the United States Government under Title I of the Housing and Community Development Act of 1974, as amended (HCD Act), Public Law 93-383 (B-19-MC-06-0044) under the Community Development Block Grant (“CDBG”) and administered by the U.S. Department of Housing and Urban Development (“HUD”) (14.218-Entitlement Grant) with a Federal Award Date of August 22, 2019; and,

WHEREAS, The Grantee wishes to engage the Subrecipient to assist the Grantee in utilizing such funds;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed, the parties hereto agree as follows:

I. SCOPE OF SERVICE

A. Activities

1. Grant Inventory Worksheet (GIW) – As required by the Department of Housing and Urban Development (HUD), the GIW is a snapshot of each grantee, their project information, budget line items, types of units, grant characteristics, etc. This document kicks-off the annual planning process for all homeless continuum of care (CoC).

2. CoC Application – Outlines all planning activities, grantee performance, street count results, etc. Requirements and directions for completing this document are outlined by HUD annually through the Notice of Funding Availability (NOFA). Along with this application,

renewal and new opportunity grants are submitted. The scoring of this application determines if the grants submitted are awarded.

3. Homeless Count and Subpopulation Survey – CoC must plan for and conduct a point-in-time count of homeless persons within its geographic area. The count must a) identify the number of homeless persons; b) identify the number of homeless persons in emergency shelters and transitional housing programs; and c) identify other requirements including subpopulation data required by HUD.
4. HIC/PIT/AHAR – The Housing Inventory Count collects information about all of the beds and units in each CoC's homeless system, categorized by Provider Program Types (i.e. emergency shelter, transitional, permanent). The Point in Time Homeless Persons Count provides a count of sheltered and unsheltered homeless persons. Counts are further broken down into sub-population categories including counts of persons who are chronically homeless, persons with severe mental illness, chronic substance abusers, Veterans, persons with HIV/AIDS, and victims of domestic violence. The Annual Homeless Assessment Report is a report to Congress on the extent and nature of homelessness in America. The report is based primarily on HMIS data about persons who experience homelessness during a 12 month period. *(It is the HMIS Grantee's responsibility to submit AHAR data).*
5. General CoC Administration – Responding to inquiries, etc.
6. CoC Grantee Monitoring - Estimated performance period.
7. CoC Meetings.
8. 10-Year Plan Monitoring/Coordination.
9. Implement new HEARTH Regulations – With the CoC, develop a Governance Charter, ensure the CoC Board is made up of participants required by HEARTH and facilitate development of a Coordinated Assessment.

10. Emergency Shelter Grant (ESG) Consultation – Keep the CoC informed of ESG grant opportunities and ensure ESG applicants apply for services that are not duplicative and are in line with CoC goals.

11. Funding- Secure additional funding as it relates to CoC Homeless activities. Will apply for Homeless Emergency Assistance Program Funding (HEAP) and California Emergency Solutions and Housing Program Funding (CESH). Will apply all rules and regulations to disburse and monitor funds associated with the funding source as well as monitoring program objectives and outcomes.

12. Coordinated Entry System- Will provide direct oversight of CES performance and activities as required by HUD.

*All performance periods are estimated since they are subject to changes by HUD.

B. Program Delivery

1. Subrecipient agrees to submit 2019/20 progress reports, in conjunction with quarterly invoices, demonstrating levels of work accomplished.

2. Subrecipient will conduct a minimum of 15 meeting and workshops over the course of contract, and will submit meeting records (agendas, minutes, etc.) with quarterly invoices. Meetings will focus on CoC coordination, closing gaps in homeless services and implementation of the recommendations outlined in the 10-Year Plan to End Homelessness.

3. In accordance with HUD requirements, Subrecipient will produce a data report based on the Homeless Count and Subpopulation Survey, which will identify the number and characteristics of homeless persons in Merced.
