Interests & Experiences

Tell us about yourself, and why you are applying for this particular Board or Commission:

I'm currently retired from the airline industry. My wife and I moved to Merced 6 years ago to care for her parents. We have elected to stay. We like to be involved with community support and this board seems to fit my education and experience. We participate in Seniors, Downtown Neighborhood Association and Castle Air Museum.

Please list your current employer and relevant volunteer experience.

Volunteer currently at Castle Air Museum 4 years as a Parks and Recreation Commissioner in Antioch Calif.

What is your understanding of the roles and responsibilities of this Board or Commission?

Typically a commissioner reviews reports from city department managers, reviews needs of clients and customers and makes recommendations to the City Council for their consideration

Do you have experience or special knowledge pertaining to this Board or Commission?

I have a Bachelors Degree in Aviation Maintenance Management with a minor in Business. I have 40 years experience in Air Carrier aircraft maintenance. I retired as Managing Director United Airlines, Chief Inspector FAR 121.65. Worked an additional three years in Miami International Airport at an MRO organization as VP of Safety, Quality, Training, and Environment. During those years I worked frequently with FAA, DOT, and TSA organizations. I have reviewed several meeting minutes of this commission.

Any other comments you would like to add that may assist the City Council in their decision?

Being retired I have more time available to evaluate opportunities and make connections with airport users and community needs
