

CITY OF MERCED

DEPARTMENT OF PUBLIC WORKS

CITY OF MERCED

NOTICE OF PUBLIC HEARING ON PROPOSED RATE INCREASE TO SOLID, ORGANIC WASTE AND RECYCLING RATES

NOTICE IS HEREBY GIVEN pursuant to Proposition 218 that the City of Merced will hold a public hearing on **Monday, March 2, 2020, at 6:00 p.m.** in the City Council Chambers, 678 West 18th Street, Merced, CA, to consider proposed increases to the City's solid, organic waste and recycling rates for all customer classes including, but not limited to, residential, commercial, and industrial. If approved, rates would change effective July 1, 2020, for Fiscal Year 2020-2021; July 1, 2021, for Fiscal Year 2021-2022; July 1, 2022, for Fiscal Year 2022-2023; and July 1, 2023, for Fiscal Year 2023-2024.

Consistent with the requirements of Proposition 218, this notice also provides the following information:

- The Reason for the Proposed Rate Increase
- The Basis for the Proposed Rate Increase; and
- The Majority Protest Procedures

THE REASON AND BASIS FOR THE PROPOSED SOLID/ORGANIC WASTE AND RECYCLING RATE INCREASES?

The proposed rates are needed to fund the operational and other costs of the Solid Waste Division. The operations include, but are not limited to, collecting, processing and disposing of solid, green, and organic waste. The operations also includes recyclable collection and processing, public education, other mandated solid waste diversion programs and auxiliary services such as assisted refuse services, alley cleanups, illegal dumping, spring cleanup, bulky item drop off, bulky waste pickups, street sweeping, street trees, Christmas tree removal and encampment cleanups.

The costs for the services include, but are not limited to, labor and equipment costs, maintenance, fuel charges, billing, administration and overhead. These costs have continued to increase and have contributed to a budgeted deficit of approximately \$2.2 million and a reduction in operating reserves. The increase is necessary to assist in rectifying the structural deficit, provide for an appropriate operational reserve target of 16% of budgeted expenses or approximately two (2) months of operating expenses, and expansion of the operational facilities to accommodate the need for service and operational expansion.

The increase is also needed and a result of the State of California passing legislation that affects solid waste and adds services without funding for those added services. This legislation includes, but is not limited to, AB 341 Mandatory Commercial Recycling, AB 1826 Mandatory Commercial Organics Recycling, AB 1594 Green Material Used as Alternative Daily Cover, and SB 1383 SLCP Organic Waste Methane Emission.

New regulatory changes have come from the California Air Resources Board that impact vehicles, forcing replacement prior to depreciation expectations. The China National Sword Policy has reduced the revenues that were generated from collected recyclables. In addition, the cost of processing recyclables has also increased.

For more information on the proposed solid waste service charges, please call (209) 385-6000 or visit our website at www.cityofmerced.org/refuserates

Para más información sobre los cargos propuestos para el servicio de recolección de basura, puede llamar al 209-385-6800 ó visitar la pagina web www.cityofmerced.org/refuserates

Yog koj muaj lus nug txog nqi thoob rau yam pov tseg, thov hu rau (209) 385-6800 losyog saib peb qhov website www.cityofmerced.org/refuserates

The proposed rates are analyzed in more detail in the "City of Merced Service Rate Study," dated September 17, 2019, and prepared by R3 Consulting Group, Inc. (the "Cost Study"). The proposed rates and Cost Study are on file with the City Clerk's Office and may be reviewed there by an interested person. They are also available on the City's website at www.cityofmerced.org/refuserates. Revenues derived from the proposed solid, organic waste and recycling rates are used solely for the purpose of defraying costs incurred in providing efficient solid, organic waste and recycling services and to ensure continued compliance with State law.

PUBLIC NOTICE AND MAJORITY PROTEST PROCESS/PROCEDURES

In 1996, California voters adopted Proposition 218, which among other things, establishes a specific process for cities to impose or increase certain types of rates. In particular, Proposition 218 provides that certain "Property Related" rates are subject to a noticed public hearing and "majority protest" process. This Notice is a part of that process.

Solid, organic waste and recycling collection rates are "Property Related" rates under Proposition 218. You are being provided with this notice 45 days in advance of the public hearing as the identified owner of real property in the City of Merced or a tenant whose name appears on the City's records as the customer of record for the corresponding parcel receiving solid, organic, green, or recycling services subject to the proposed solid, organic waste and recycling rates. As a property owner, you have a right to submit a written protest to the proposed rate change.

All property owners of record and members of the public are invited to attend the public hearing. All members of the public are entitled to make comments at the public hearing, regardless of whether they choose to submit a written protest or own property that would be subject to the new increased rates. The City Council will hear and consider all materials and testimony as well as all written protests submitted against the proposed rate increases. At the close of the public hearing, the City Council may adopt the new rates if written protest against the proposed increase are not presented by a majority of identified parcels upon which the proposed rates are to be charged.

WHEN WILL THE CITY COUNCIL CONSIDER THE RATES?

The City Council will consider the adoption of the proposed rates at a Public Hearing on:

Monday, March 2, 2020 at 6:00 p.m.

City Council Chamber 678
West 18th Street
Merced, California 95340

WHEN WOULD THE NEW RATES GO INTO EFFECT?

The proposed rate changes will become effective July 1, 2020, for Fiscal Year 2020-2021; July 1, 2021 for Fiscal Year 2021-2022; July 1, 2022 for Fiscal Year 2022-2023; and July 1, 2023 for Fiscal Year 2023-2024, if adopted by the City Council.

IS THERE A RIGHT TO PROTEST?

Yes. All protests must be in writing and include an original signature, and must be submitted as set forth below. Protests submitted by e-mail or facsimile, as well as verbal protests, will not be counted toward a "majority protest." You may file a written protest in one of two ways:

1. **Written Protests by Mail.** If you wish to submit your written protest by mail, it must be actually received by the City Clerk (not postmarked) by the close of the public hearing on March 2, 2020. Send to: City Clerk, City of Merced, 678 West 18th Street, Merced, CA 95340.
2. **Written Protest in Person at the Public Hearing.** If you wish to hand-deliver your written protest in person, it must be received by the City Clerk prior to the close of the public hearing.

You must sign the written protest and include: (1) your name, (2) your street address, (3) your solid, organic waste and recycling service address or Assessor's Parcel Number (APN), and (4) whether you are a residential, commercial, and/or industrial customer. Please identify on the front of the envelope that the enclosed letter is for the "2020 Solid, Organic Waste and Recycling Rate Increase Public Hearing." Only one written protest will be counted per identified parcel.

The City Clerk will tabulate written protests following the close of the public hearing and will report the results directly to the City Council.

- If you do not want to protest the proposed rates, you do not need to take any action.
- If you want to protest the proposed rates, you must provide a written protest as outlined above.

WHAT RATES ARE BEING CONSIDERED?

The following charts summarize the rates subject to this Notice and the majority protest process. For a more complete breakdown of solid/organic waste and recycling rates, please refer to the proposed Rate Resolution available on the City's website at www.cityofmerced.org/refuserates

Proposed Residential Collection Rates						
	Current Rate	Effective Date				
		July 1, 2020	July 1, 2021	July 1, 2022	July 1, 2023	July 1, 2024
64 Gal [Gray] Curbside (Single Family & Multi Units)	\$25.92	\$31.10	\$32.66	\$34.29	\$36.01	\$36.01
