(Future Annexation Area)*

The Maximum Special Taxes for Taxable Property within Improvement Area #44 will be identified at the time such property is annexed into the CFD and will be included in the unanimous approval form signed by the annexing property owner.

45. *Special Tax Increases*

In January 2004, and each January thereafter, all figures shown in Tables 1 through 15 above shall be adjusted by applying the Average Increase, if any, in the Indices. Each annual adjustment of the Maximum Special Tax shall become effective on the subsequent July 1.

In January 2006, and each January thereafter, all figures shown in Tables 16 through 44 above shall be adjusted by applying the Average Increase, if any, in the Indices. Each annual adjustment of the Maximum Special Tax shall become effective on the subsequent July 1.

SECTION D. METHOD OF LEVY

Each Fiscal Year, the Special Tax shall be levied on all Assessor Parcels of Developed Property, separately for each Improvement Area, according to the steps outlined below.

Step 1: Determine for an Improvement Area the Special Tax Requirement, as defined in Section A above, for the Fiscal Year in which the Special Tax will be collected;

Step 2: Calculate the total Special Tax revenues that could be collected from Developed Property in the Improvement Area based on application of the Maximum Special Tax rates determined pursuant to Section C above;

Step 3: If the amount determined in Step 1 is greater than or equal to the amount calculated in Step 2, levy the Maximum Special Tax on all Assessor Parcels of Developed Property in the Improvement Area;

Step 4: If the amount determined in Step 1 is less than the amount calculated in Step 2, levy the Special Tax Proportionately on each Assessor Parcel of Developed Property in the Improvement Area so the amount of the Special Tax levy equals the Special Tax Requirement for that Fiscal Year.

SECTION E. COLLECTION

Except as may be provided by the CFD or the City, and for delinquencies, the Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes. The Special Tax obligation applicable to an Assessor Parcel in the CFD may not be prepaid and the obligation of the Assessor Parcel to pay the Special Tax may not be permanently satisfied.

SECTION F. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method, no Special Tax shall be levied on Public Property, except as otherwise provided in the Act.

SECTION G. INTERPRETATION

The Administrator may interpret this Rate and Method as necessary to clarify any inconsistency, vagueness, or ambiguity.

SECTION H. APPEALS

Appeals of any claim of incorrect computation of Special Tax or application of this Rate and Method may be made by the owner of an Assessor Parcel or such owner's duly-authorized representative by filing a written notice of appeal with the Administrator not later than thirty (30) days after having paid the disputed Special Tax. The Administrator shall promptly review the appeal and, if necessary, meet with the property owner (or representative), consider written and oral evidence regarding the amount of the Special Tax, and decide the appeal. If the property owner disagrees with the Administrator's decision, the owner may then file a written appeal with the Council, whose decision shall be final. If the decision of the Administrator or the Council requires the Special Tax to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Tax levies, but an adjustment shall be made to the next Special Tax levy(ies) as appropriate. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.
