CITY OF MERCED, CA APPLICATION FOR SECTION 108 LOAN GUARANTEE

FROM

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT APPROVED

CHILDS COURT APARTMENTS

Northwest Corner of B Street & E. Childs Avenue, Merced, CA

REQUESTED LOAN - \$1,706,329

July 10, 2020

Childs Court Apartments

Previously known as the Childs & B Street TOD Affordable Housing Project, the Childs Court Apartments is an affordable housing project developed by the Central Valley Coalition for Affordable Housing and The Richman Group. The project will provide new housing opportunities and supportive services to low-income families and individuals.

The 4-acre site is bound by a partially constructed storm basin and Childs Avenue to the south, B Street to the east, by existing apartments to the west, and by existing businesses and county services to the north. Working closely with the City, the project will transform the storm basin into a combination park and drainage management facility. Street improvements along both project street frontages will be engineered by the City, with additional extended right-of-way (ROW) work done beyond the project frontages. Street frontage improvements include new lighting, street trees, and sidewalks/curb/gutter on Childs Avenue and B Street.

The development will be a courtyard-style community comprised of five 3-story wood frame walk up buildings. The buildings vary in size from 6,920 square feet to 34,240 square feet with the total floor area at 117,224 square feet. There will be 119 residential dwelling units with a mix of one, two-, and three-bedroom apartments. A two-bedroom manager's unit is included. The multi-family project will be restricted to extremely low- and low-income households. The project is eligible for low-income housing tax credits (LIHTCs).

The unit breakdown for the project includes:

	First Floor (L01)	Second Floor (L02)	Third Floor (L03)	Total	Percent 25.2%

Located near the secured main entrance, a community center of approximately 3,890 square feet includes 700 square feet of common room, manager's, and service providers' offices, multi-purpose room, fitness room, mailboxes, restrooms, and laundry facilities. The adjacent central courtyard has a patio and barbeque area, swimming pool, and children's play areas, as well as other spaces for recreation and gardening.

Lastly, the project's parking will be covered by solar PV system canopies, as well as infrastructure for future electric vehicle charging stations. The project will exceed residential energy codes by at least 10-20%, be constructed in accordance with CA Green Energy Code and be certified at the gold level in the Green Point Rated multifamily sustainable building system.

Development Team

A development partnership, Merced CA Apartments, LLC, has been established between the Richman Group and the Central Valley Coalition for Affordable Housing (CVCAH). The Richman Group has created the Merced CA GP LLC to serve as the partnership's General Partner. CVCAH, a local non-profit also designated as a community housing development organization (CHDO), will create a new partnership to serve as a co-General Partner. The Richman Group, through its Richman Group Affordable Housing Corporation, will serve as a limited partner. The Richman Group will guarantee construction completion as well as operations. The Richman Group holds 1,500 developments with 115,000 units representing over \$20 Billion in development costs.

The partnership has hired Pyatok to provide design services as well as Huff Construction as their general contractor. All has significant experience designing and constructing affordable multi-family housing. The initial schedule for the project is:

The development team has provided commitment letters from Bank of America to provide construction period and permanent financing. Commitments are in place from public partners; the City of Merced, CA, California Tax Credit Allocation Committee, the California Department Housing and Community Development. Project partners, the Central Valley Coalition for Affordable Housing and the Richman Group have also provided commitment letters evidencing provision of their funding responsibilities. The project has additionally been awarded HOME funding as well as Section 8 vouchers.

Section 108 Submission Requirements

The project has been referenced numerous times in the City of Merced's Consolidated Plan and 2019 HUD Annual Action Plan. The Childs Court Apartment supports the permanent supportive housing goals of the City while addressing Homeless Services.

Specific to the HUD Section 108 loan:

Compliance with 24 CFR 570.208 - National Objectives.

The loan for the Childs Court Apartments meets the following National Objective:

The assisted activity complies with the following national objective as required under § 570.208(a)(2)(i)(B):

(a) Activities benefiting low- and moderate-income persons. Activities meeting the criteria in paragraph (a)(3)(i) An eligible activity carried out for the purpose of providing or improving permanent residential structures which, upon completion, will be occupied by low- and moderate-income households. This would include, but not necessarily be limited to, the acquisition or rehabilitation of property by the recipient, a subrecipient, a developer, an individual homebuyer, or an individual homeowner; conversion of non-residential structures; and new housing construction. If the structure contains two dwelling units, at least one must be so occupied, and if the structure contains more than two dwelling units, at least 51% of the units must be so occupied. Where two or more rental buildings being assisted are or will be located on the same or contiguous properties, and the buildings will be under common ownership and management, the grouped buildings may be considered for this purpose as a single structure.

For the Childs Court Apartments, all of the residential units will be made available to households at or below 80% AMI. As shown in the prior affordability chart, 100% of the units will be made available to households at or below 50% AMI.

Compliance with 24 CFR 570.703 – Eligible Activities

HUD regulations do not allow for the use of CDBG / 108 Loan proceeds for direct new housing construction costs. However, HUD Community and Planning Development (CPD) guidance clarifies project costs can access CDBG without being seen as being used for direct housing construction. Using that guidance, HUD Section 108 loan proceeds would be directed to the following eligible activities and are highlighted in the Development Budget included in the financial summary included as an exhibit to this application:

- 570.703 (c) Payment of interest on obligations guaranteed under this subpart.
- 570.703 (g) payment of issuance, underwriting, servicing, trust administration and other costs associated with private sector financing of debt obligations under this subpart.
 - 570.703 (I) Acquisition, construction, reconstruction, rehabilitation or historic preservation, or installation of public facilities (except for buildings for the general conduct of government) to the extent eligible under 570.201 (c), including public streets, sidewalks, other site improvements and

public utilities, and remediation of known or suspected environmental contamination in conjunction with these activities. Remediation may include project-specific environmental assessment costs not otherwise eligible under 570.205.

§ 570.201 (c) Public facilities and improvements.

"Acquisition, construction, reconstruction, rehabilitation or installation of public facilities and improvements, except as provided in 570.207 (a), carried out by the recipient or **other public or private nonprofit entities.** (**emphasis added**)

- In undertaking such activities, design features and improvements which promote energy efficiency may be included. Section 108 funds would be used for alternative energy systems for the project.
- 570.207 (3) New housing construction. For the purpose of this paragraph, activities in support of
 the development of low- or moderate-income housing including clearance, site assemblage, provision
 of public improvements and certain housing pre-construction costs set forth on 570.206 (g), are not
 considered as activities to subsidize or assist new residential construction.
 - 570.206(g) Administrative expenses to facilitate housing. HUD guidance allows funding for project "soft costs". As such, HUD 108 funds would be used to fund architectural costs as well as portions of a development fee for managing the pre-construction requirements of the project.

The City will provide 108 funding to the Childs Court Apartments to fund the costs of the 108 loan, including HUD's legal and closing costs, costs to construction alternative energy systems for the project, and pre-constructions costs for design and development management.

Ability to Repay:

A Financial summary is included as an appendix to the Application. The operating pro forma shows an initial Debt Service Cover (DCR) for senior debt at 1.52. To be conservative, Section 8 vouchers are not provided after YR 15. Without Section 8 vouchers, cash flow drops significantly. Available cash flow, after paying senior debt ranges from a low of \$15,759 to a high of \$105,148, and this does not provide enough stability to be a repayment source to the City from project resources. This is due to the very low rent levels expected from the project. As a result, the City has decided to use its CDBG Entitlement as a primary source of 108 loan repayment.

Collateral: An appraisal of the "as completed" project is being completed. However, similar to the issues identified in the Ability to Repay, the project is likely to have limited value. There is limited senior debt secured ahead of the City's interest. The limited debt is due to the low rents projected for the project. Given the income regulatory agreements to be recorded with the property, the CDBG eligibility being achieved with the City's 108 funding (as well as HOME funds) will remain in effect regardless of financial performance. This was also noted in the City's HOME analysis.

Developer / Owner Commitment: Final confirmation of required equity will be provided before closing but is well within their prior experiences and has been documented with investor commitments. The partnership owning and developing Childs Court Apartments have significant experience with similar tax credit projects and have committed pre-development funding as well as permanent funding for the project

Pledge of CDBG Guarantee

The City of Merced, CA fully understands that the project has limited abilities to repay annual debt service payments from project revenues. In response, the City of Merced will establish a line item in its CDBG Annual Action Strategy to set aside funds from their annual Entitlement Grant to make annual payments. The City will pledge its CDBG funds and all other applicable grants as security for the guarantee. The City will not pledge its general fund assets on behalf of HUD.

Schedule for City's Repayment of Loan

In requesting approval of this loan guarantee, the City of Merced is requesting a commitment for a 20-year term. The City of Merced will act as the borrower and issue the guaranteed debt obligations. The following initial principal repayment schedule is below.

ENTITLEMENT PUBLIC ENTITY CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing Section 108 application submission requirements, the undersigned certifies, on behalf of the entitlement public entity and to the best of his or her knowledge and belief, that:

- 1. It possesses the legal authority to make the pledge of grants required under 24 CFR 570.705(b)(2);
- 2. It has made efforts to obtain financing for activities described in the application without the use of the loan guarantee, it will maintain documentation of such efforts for the term of the loan guarantee, and it cannot complete such financing consistent with the timely execution of the program plans without such guarantee;
- 3. It possesses the legal authority to submit the application for assistance under 24 CFR Part 570, Subpart M and to use the guaranteed loan funds in accordance with the requirements of Subpart M;
- 4. Its governing body has duly adopted or passed as an official act a resolution, motion or similar official action:
 - (a) Authorizing the person identified as the official representative of the public entity to submit the application and amendments thereto and all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the public entity to act in connection with the application to provide such additional information as may be required; and
 - (b) Authorizing such official representative to execute such documents as may be required in order to implement the application and issue debt obligations pursuant thereto (provided that the authorization required by this paragraph may be given by the local governing body after submission of the application but prior to execution of the contract required by §570.705(b));
- 5. Before the submission of its application to HUD, it has:
 - (a) furnished citizens with information required by 24 CFR 570.704(a)(2)(i);
 - (b) held at least one public hearing to obtain the views of citizens on community development and housing needs;
 - (c) prepared its application in accordance with the citizen participation requirements and made the application available to the public;
- 6. It is following a detailed citizen participation plan that meets the requirements described in 570.704(a)(2);
- 7. It will affirmatively further fair housing, and the guaranteed loan funds will be administered in compliance with:
 - (a) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.); and
 - (b) The Fair Housing Act (42 U.S.C. 3601-3619);

- 8. In the aggregate, at least 70 percent of all CDBG funds, as defined at §570.3, to be expended during the one, two, or three consecutive years specified by the public entity for its CDBG program will be for activities which benefit low- and moderate-income persons, as described in criteria at §570.208(a);
- 9. It will comply with the requirements governing displacement, relocation, real property acquisition, and the replacement of low- and moderate-income housing described in §570.606;
- 10. It will comply with the requirements of 24 CFR 570.200(c)(2) with regard to the use of special assessments to recover the capital costs of activities assisted with guaranteed loan funds;
- 11. (Where applicable, the public entity may also include the following additional certification.)

 It lacks sufficient resources from funds provided under this subpart or program income to allow it to comply with the provisions of 24 CFR 570.200(c)(2), and it must therefore assess properties owned and occupied by moderate income persons, to recover the non-guaranteed loan funded portion of the capital cost without paying such assessments in their behalf from guaranteed loan funds;
- 12. It will comply with the other provisions of title I of the Housing and Community Development Act of 1974 as amended (42 U.S.C. 5301 et seq.) and with other applicable laws.

SECTION 108 LOAN GUARANTEE PROGRAM

Certification Regarding Lobbying

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
