SUBJECT: Public Hearing to Approve and Adopt the 2015 Urban Water Management Plan

REPORT IN BRIEF

Staff requests that the City Council hold a public hearing to review and adopt the 2015 Urban Water Management Plan.

RECOMMENDATION

City Council - Adopt a motion adopting **Resolution 2017-29**, Resolution of the City Council of the City of Merced, California, approving and adopting the 2015 Urban Water Management Plan for the City of Merced, including reviewer comments and authorizing submittal of the Final Report to the Department of Water Resources.

Carollo Consultant Ryan ORGILL gave a slide show presentation on the 2015 Urban Water Management Plan.

Mayor MURPHY asked about the City's use of the groundwater basin.

Mr. ORGILL explained that the City is not the majority user.

Council Member PEDROZO asked about the projection of future water usage.

Mr. ORGILL gave an estimated number.

Council Member BELLUOMINI stated his concern for the projected population. He asked about the jump in demand for water, clarification on constraining water, plan for surface water used by the City, and cost of water delivery. He also spoke on the watering schedule and the impact it has on residents. He asked about reducing water at schools.

Mr. ORGILL explained the jump in water demand and clarified that there are no legal restrictions on how much water the City can pump. He discussed building a future surface water treatment plant in order to get the City away from groundwater.

Director of Public Works Ken ELWIN further explained the use of surface water. He also clarified the population projections. He discussed the cost of water and implementing a cost tier system when customers are out of compliance, but stated that the City is not ready for that system.

Assistant City Manager Stephanie DIETZ explained that SGMA gives different authority to groundwater agencies.

Interim City Attorney Jolie HOUSTON discussed the cost difference of pumping fees and actual water sewer fees

Ms. DIETZ spoke on an upcoming water study session in July or August with the Council and stated they are waiting to see what the new state law is before bringing the ordinance back.

Water Conservation Specialist Leah BROWN spoke on an automatic hose timer that is available at the Public Works Office. She discussed working with schools to reduce their water usage.

Council Member SERRATTO asked about a long-term sustainable number for groundwater.

Mr. ELWIN stated that they are working on a groundwater sustainable plan.

Mayor MURPHY spoke on the groundwater recharge project.

Mayor MURPHY opened the Public Hearing at 7:38 PM and subsequently closed the Public Hearing due to lack of public comment.

Ms. HOUSTON stated that this project is exempt from CEQA.

Council Member BELLUOMINI asked if there is a legal reason or rush to adopt the 2015 Urban Water Management Plan. He stated his concern for adopting this plan without seeing the requested revisions.

Mr. ORGILL stated that if this is not adopted the City will lose out on grant money.

Ms. BROWN stated that there is an existing grant that has yet to be invoiced.

Ms. DIETZ stated that the Council can adopt the plan now and bring it back revised.

A motion was made by Mayor Pro Tempore Blake, seconded by Council Member Pedrozo, to adopt Resolution 2017-29 the 2015 Urban Water Management Plan with the understanding that it will return to Council with modifications in six weeks. The motion carried by the following vote:
