I. Authorizing the City Manager or the Assistant Manager to execute any necessary documents for the purchases specified above, the Finance Officer to make the appropriate budget adjustments and City Buyer to issue the Purchase Orders.

ALTERNATIVES

1. Approve, as recommended by staff; or,
2. Approve, subject to other than recommended by staff (identify specific findings and/or conditions amended to be addressed in the motion); or,
3. Deny; or,
4. Refer to staff for reconsideration of specific items; or,
5. Continue to a future meeting (date and time to be specified in the motion).

AUTHORITY

Merced City Charter, Section 200. Municipal Code Section 3.04.210 - Exemptions from competitive bidding.

CITY COUNCIL PRIORITIES

As provided for in the FY 20/21 Adopted Budget.

DISCUSSION

History

Sourcewell offers an equipment/vehicle purchase program to government entities nationwide; specifications are created, and Request for Bids are sought by Sourcewell for a wide variety of equipment used by local governments. As a result of the nationwide scope of these programs, the City is able to purchase specialized equipment for much less than the more traditional method of creating specifications and soliciting bids in-house.

Over the last several years, the City has purchased a variety of equipment not provided by local vendors including, street sweepers, leaf trucks, fire trucks, refuse trucks, etc. through the Sourcewell government procurement program with great success.

Buying these vehicles directly through this outside program requires waiving the City's competitive bid requirements. In addition to cost savings, purchasing directly from Sourcewell allows the city to standardize equipment, which is a desire of the Fleet Services Division. With standardized

equipment, Fleet Services will have the ability to reduce parts inventory, and ensure the vehicle controls, handling, and maneuvering are the same for vehicles that are currently being used by City employees. The vehicles requested will be the same make and model as other City equipment.

The Public Works Department, Fleet Services Division, is requesting Council authorize the purchase of ten currently budgeted fleet vehicles utilizing the nationwide government procurement service Sourcewell via PB Loader, Municipal Maintenance Equipment (M.M.E.), National Auto Fleet Group/American Truck & Trailer Body (AT&TB), and Ruckstell Ca. Sales. These vehicles include one asphalt/patch truck, four dump trucks, one street sweeper, one water service truck, and three refuse trucks.

All listed vehicles to be purchased is budgeted in the FY 20/21 adopted budget. All vehicles requested for purchase in this report will meet the California Air Resources Board (CARB) Tier IV final clean air vehicle pollution rating.

Section 3.04.210 of the Merced Municipal Code provides that the City Council can approve a waiver of the City's competitive bidding requirements when such purchases are made pursuant to cooperative purchasing in conjunction with other governmental entities.

Staff requests waiving the bidding requirements in order to standardize equipment and utilize the government pricing contract.

IMPACT ON CITY RESOURCES

The vehicles were approved in the FY 2020/21 adopted budget; no additional funding is needed. All vehicles will be purchased using funds budgeted in Fund 674 - Fleet Replacement.
