CITY COUNCIL PRIORITIES

Fiscal Year 2023/24 City Council Adopted Goals & Priorities, Natural Disaster/Flood Response, and Explore an Urgency Ordinance that addresses a temporary stay of rent hikes after a natural disaster and tenant rights of first refusal for housing.

DISCUSSION

On February 21, 2023, the City Council adopted its annual Goals & Priorities, developed through a series of three Town Halls meets conducted in late January and early February 2023. Under the newly added Natural Disaster/Flood Response section, City Council directed staff to return with the legal options for their consideration that would address the temporary stay of rent increases after a natural disaster and the implementation of tenants' rights to first refusal for housing.

The City Attorney has developed a comprehensive presentation with legal options related to the drafting of an Urgency Ordinance. Upon the conclusion of the presentation, staff are seeking direction from the City Council on what elements, if any, to include in an Urgency Ordinance to be brought back at a future meeting for adoption.

IMPACT ON CITY RESOURCES
