extending the Purchase Order with Brisco Enterprises, dba. Thunderbird Maintenance, Inc. for up to 3 months for an amount not to exceed \$20,365.20 per month spanning from November 1, 2023, through January 31, 2024. The total amount of the Purchase Order changed to \$107,523.60. The actual start date was extended to December 2023 due to issues with city bond requirements.

At the City Council meeting of March 18, 2024, Staff proposed, and City Council approved extending the Purchase Order with Brisco Enterprises, dba. Thunderbird Maintenance, Inc. for an amount not to exceed \$20,365.20 per month spanning from April 1, 2024, through the end the Fiscal Year June 30, 2024. City Council requested a new Request for Bids (RFB) for graffiti abatement services.

The City received three RFB responses for the graffiti abatement services. The pricing of the proposals is reflected in the chart below.

The service provider evaluation was based upon:

1: **Experience & Capacity:** The Respondent's relevant experience in providing the same or similar services; and the availability and capacity to provide service.

2: **Cost:** The total cost of the Respondent's proposal is important to the City; however, based on the evaluation of the other criteria, the City will not necessarily select the lowest bidder. We will make our selection based on best value.
