Report Prepared by: Amanda Williams, Development Services Tech, Engineering

SUBJECT: REQUEST #24-15 Requesting Space On Golden Valley Health Center (GVHC) Property To Prevent Traffic And Accidents From Occurring On A Busy Street.

REPORT IN BRIEF

Citizen states that there are only two lanes, one that goes in each direction on W Childs Ave. When the bus stops in front of the clinic, it does not leave space for vehicles on the road to keep going and nearly causes accidents. There should be space on GVHC property to prevent traffic and accidents from occurring on a busy street.
