SUBJECT: Bike Month Proclamation and Discussion

REPORT IN BRIEF

The Commission will be presented a draft of the proposed proclamation for Bike Month and given the opportunity to discuss possible activities.

RECOMMENDATION

The Commission make a recommendation to the City Council that they adopt the proclamation for Bike Month

ALTERNATIVES

1. Recommend to City Council for Adoption, as recommended by staff; or,
2. Recommend Denial; or,
3. Continue to a future meeting (date and time to be specified in the motion).

DISCUSSION

Every year the Commission recognizes Bike Month, which is in May. This year Bike-to-Work Week is May 13-19, 2024. Bike-to-Work Day is May 17, 2024. At this time, the next scheduled meeting is in June, so it would be appropriate to acknowledge Bike Month, now at this meeting. Staff has prepared a proclamation to be adopted by the Commission. This proclamation recognizes the importance of cycling historically, to our health and to our community as well as the above mentioned nationally recognized days.
