DISCUSSION

At the City Council meeting of March 18, 2019, the City Council approved the second reading of Ordinance 2498, in which the definition of “school” was updated. This definition indicates that the City Council has the sole discretion of determining what constitutes a “school” for the purposes of locating cannabis businesses; cannabis dispensaries must be more than 1,000 feet from schools and non-dispensary cannabis businesses must be more than 600 feet from schools.

City staff have created a list of known school sites and reached out to representatives from the Merced City School District, Weaver School District, Merced County Office of Education, and Merced Union High School District for comments. The list of schools is provided as Attachment 1, and a map showing these locations is provided as Attachment 2.

In the correspondence with school representatives, a number of locations were suggested that staff did not feel met the definitions and conditions provided in Ordinance 2498. These sites, along with staff rationale, have been provided as Attachment 3.

IMPACT ON CITY RESOURCES

No appropriation of funds is needed.
