DISCUSSION

In January 2016, the City entered into a Legal Services Agreement with the law firm Best, Best & Krieger ("BBK") for specialized legal work relating to the City's post-Redevelopment dispute with the California Department of Finance. This initial Legal Services Agreement was for an amount not to exceed \$25,000.

On November 15, 2016, the California Department of Finance filed a Petition for Writ of Mandate against the City of Merced and the Merced Designated Local Authority. The City is being represented in this litigation by BBK Partner, Iris Yang, who is an experienced litigator with specific and significant expertise in Redevelopment law. Ms. Yang's expertise also includes complex real estate transactions. In addition to her legal work on Redevelopment related issues, Ms. Yang has provided City staff with legal advice regarding complex real estate matters, including, for example, issues related to property sale and purchases as well as the relocation of the Merced Police Station site.

The City has exhausted the initial \$25,000 approved for the January 2016 Legal Service Agreement with BBK. Due to the filing of legal action against the City by the Department of Finance, additional funds are necessary to pay for the defense of this matter and other legal issues related to the dissolution of the Merced Redevelopment Agency. The First Amended Legal Services Agreement is for an additional \$70,000 to pay to the cost of BBK's post-dissolution Redevelopment matters. In addition, the First Amended Legal Services Agreement includes the not to exceed amount of \$30,000 for legal work related to complex real estate matters.

The contract amendment will be funded from the RDA Residual and Public Facilities Financing Fees.
