DISCUSSION

Youth Center Providers will provide the Recreation and Parks Commission their mid-year activity reports to highlight who they are serving, showcase their efforts, discuss setbacks, and explain program outcomes.

It is the intent for these reports to be used in conjunction with mid-year, in person reports to the Recreation and Parks Commission in January of each year (February for 2023), and to be given to City Council in May of each year to consider Lessee requests for extensions. Reports will help the Recreation and Parks Commission to make informed decisions when considering any requests for lease extensions by current lessees.

Current lessees include Merced County Boys and Girls Club, Students With Aspiring Goals, Symple Equazion, Restorative Justice League w/ Love Faith Hope, and Challenged Family Resource Center.
