DISCUSSION

At the November 5, 2024 election, three Council Members will be elected to four-year terms (one each in districts one, three, and five) and a Mayor will be elected at large to a four-year term of office.

The City has consistently recognized a cost savings in previous years by consolidating the General Municipal Election with the Consolidated Elections conducted by the Merced County Elections Office. The County has trained staff and volunteers, in addition to the necessary equipment, software, and locations to conduct elections efficiently and economically. Therefore, staff recommends that the City Council call for the General Municipal Election on November 5, 2024 and consolidate the General Municipal Election with the Presidential General Election on November 5, 2024.

As in the previous years, candidates are to pay all costs for their Candidate Statements, and in the event of a tie vote after all votes have been counted, the tie will be resolved by a coin toss.

IMPACT ON CITY RESOURCES

It is estimated that the November 5, 2024, Presidential General Municipal Election will cost approximately \$100,000. Funds have been included in the Fiscal Year 2024-2025 budget to cover this expense.
