

Legislation Text

File #: 24-053, **Version:** 1

Report Prepared by: Amanda Williams, Development Services Tech, Engineering

SUBJECT: Request #24-01 Requesting the addition of a four way stop at the intersection of M Street and Childs Avenue. (Jaylene Melendez)

REPORT IN BRIEF

Citizen states there are numerous car accidents held at this intersection due to a restricted view. The four-way stop will help with these safety concerns.
