DISCUSSION

The Bicycle Advisory Commission (BAC) serves as an advisory body to the City of Merced, advising the City Council on matters relating to improving conditions for bicyclists, promoting bicycling as a means of transportation with the associated benefits of improved air quality, and improving safety conditions for bicyclists.

The Commission consists of seven registered City of Merced voting members, with two ex-officio members appointed at City Council discretion. Ex-officio members are non-voting members who may be non-City residents living within the City's sphere of influence, or persons who otherwise demonstrate a strong concern for bicycle-related issues within the City. Regular meetings are held on the fourth Tuesday of every even-numbered month during normal business hours.

On July 1, 2017, the terms of Robert Tyler and Lisa Kaiser-Grant ended. Both of these individuals have served two terms and are not eligible for reappointment.

In accordance with Council direction, the Clerk's Office has noticed vacancies for all boards and commissions in a local newspaper and maintains an updated vacancy notice for all boards and commissions outside City Hall, at the entrance of the Council Chamber, and on the City's website. Additionally, in accordance with Government Code 54972, the Clerk's Office posts the Local Appointments List yearly.

The Clerk's Office has received two qualified applications for the vacancies. The applications of Steven Lerer and Greg Friedman, and the current roster are attached.

IMPACT ON CITY RESOURCES
