## **CITY COUNCIL PRIORITIES**

Not applicable.

## **DISCUSSION**

Local Transportation Funds (LTF) are administered by the State of California and allocated through the Merced County Association of Governments (MCAG). LTF funds are first designated for identified transit needs, and any remaining balance is apportioned to local agencies for non-transit uses, such as streets and roads. In previous years, the City received an annual allocation determined by a population-based formula. This is the second year since 2009 that this funding has been available to the City; the City's entitlement for the 2016-2017 fiscal year was \$831,156.

Based upon population, the City of Merced's entitlement for the 2017-2018 fiscal year is \$232,048 as shown in Attachment 1 - LTF Apportionment. These funds will be blended with Measure V and SB1 funds to be allocated to projects after completion of the pavement management plan.

As part of MCAG's claim process, the City is required to submit the completed claim form and corresponding City Council Resolution no later than September 20, 2017.
