DISCUSSION

The proposed vacation involves right-of-way previously dedicated along the east side of three properties: 1704 Kibby Road, 4155 East Childs Avenue, and 4315 East Childs Avenue (see the location map at Attachment 1).

The owner of the parcels located at 4155 East Childs Avenue and 1704 Kibby Road (Lyons Land and Cattle, Inc.) is working to sell a portion of the properties to PG&E for future development. During this process, staff discovered that a 40-foot-wide “Avenue” had been dedicated by the original subdivision of this property (Grimes Subdivision No. 1 recorded on April 5, 1927). This “Avenue” was intended for roadway purposes at the time, but has never been used. City staff has determined that the “Avenue” is not needed, is not shown on the City’s Circulation Plan, and will not be used in the future. Therefore, the right-of-way as shown on Attachment 2 should be abandoned.

Because the Avenue also affects the property owned by CVP Acquisitions, the City felt it would be more efficient to abandon the entire Avenue with one process. Therefore, CVP Acquisition also submitted an application requesting the abandonment of the Avenue on their property (4315 East Childs Avenue).

On December 6, 2017, the Planning Commission reviewed the proposed vacation and found it consistent with the General Plan.

The City Council’s action would be to adopt the resolution at Attachment 3 setting the public hearing

for Vacation #17-02 for February 20, 2018.

IMPACT ON CITY RESOURCES

There would be no impact on City resources as a result of this action.
