## **DISCUSSION**

The University of California Merced and community celebrated the grand opening of the UC Merced Downtown Campus Center in January 2018. The \$45-million, 67,400 gross square foot building has capacity for up to 370 employees. UC Merced representatives discussed with City staff a request to lease parking spaces in the Merced Center Garage to accommodate the employees at the Downtown Campus Center. UC Merced desires to lease 125 parking spaces in the Merced Center Garage (100 covered parking spaces and 25 non-covered parking spaces.) The proposed Facility Use Agreement (Parking Agreement) contains the terms to lease parking from the City of Merced - Parking Authority (Attachment 1.)

### Key Terms

Number of parking spaces:	125 spaces (100 covered, 25 non-covered)  (Covered parking, 2 <sup>nd</sup> Level - Exhibit B) (Uncovered parking, 3 <sup>rd</sup> Level - Exhibit C)

### Merced Center Garage

In 2006, the City Council approved funding for the construction of the Merced Center Garage by the former Redevelopment Agency. Plan specifications called for a 3-story structure with 335 parking

spaces and 10,180 square feet of leasable commercial space and storage. Development of the Merced Center Garage was intended to support the Merced College Business Resource Center and Ghia Hotel. The Business Resource Center is in full operation, but the Ghia Hotel project developer did not move forward.

There are 10 parking spaces on the 3<sup>rd</sup> Level of the Merced Center Garage dedicated to Merced College. The College participated in payment to design the parking facility, and received the 10 dedicated parking spaces in exchanged for their contribution. WestAmericia Bank leases 12 spaces from the City of Merced Parking Authority on the ground level as part of their lease.

On May 19, 2014, the City Council adopted Ordinance 2428 making parking within the entire Merced Center Garage available for lease with the exception of the spaces dedicated to Merced College and leased to WestAmerica Bank. The intent of the Ordinance Amendment was to provide an incentive to developers interested in the Merced Center Project.

Should Council approve the Facility Agreement with the Regents, 147 of the 335 parking spaces in the Merced Center Garage would be committed leaving 188 spaces available to the public.

#### Adjacent Parking Lots

The City of Merced owns four parking facilities within one-block of the Merced Center Garage (See Figure 1). Three of the four parking lots are available to the public. Parking Lot #15 is dedicated to City of Merced employee parking. The following public parking lots are available to serve businesses and organizations located near the Downtown Campus Center:

Parking Lot #3	57 spaces	Time restricted
Parking Lot #4	46 spaces	Time restricted
Parking Lot #15	41 spaces	City employee use
Shannon Parcade	146 spaces	Open from 6am to 10pm.

The key mission of the Downtown Parking Plan is to provide plentiful parking to downtown customers and visitors. Staff will continue monitoring parking patterns in the adjacent lots and recommend changes as necessary.

### Forthcoming Downtown Development

Two of three exciting downtown projects are in close proximity to the Merced Center Garage and Downtown Campus Center including the El Capitan Hotel Renovation, Hotel Tioga, and upcoming Mainzer Theatre improvement. With these projects in mind and other anticipated Downtown Merced projects, there will be greater pressure on nearby parking resources. Staff is reaching out to two consultants, soliciting proposals to assist the City with providing more parking opportunities for customers, visitors, and residents.

### **IMPACT ON CITY RESOURCES**

No impact on the General Fund. The Parking Authority Fund is responsible for upfront cost such as posting or painting signs where the UC Merced employees will park, followed by regular maintenance. With the exception of the start-up period, the Parking Authority Fund may realize

\$70,500 annually should the Council approve the Agreement with the Regents.
