Firefighters Charitable Foundation is a 501(c)3 Charitable Corporation who is a proponent of providing resources to support fire related outreach services. Their \$300 donation will be geared towards enhancing the fire prevention's outreach program.

Community outreach events help spread awareness of fire prevention measures, which are critical to the safety of residents. Through fairs, open houses, and other community events, our firefighters can increase the number of community members that are exposed to fire safety awareness lessons by providing additional incentives to visit with them and learn about fire safety.
