## DISCUSSION

The transmission tower atop the Ralph Shannon Parade has been in use and leased since 1996. Users have included Cellular 2000, Cingular, Clearwire, and AT&T. Due to acquisitions and mergers over the years, the holding company now working with the City of Merced for use of the transmission tower is NCWPCS MPS 29-Year Tower Holding, LLC.

The original Lease Agreement was executed in 1996, renewed in 2006, first amended in 2013, and now a proposed second amendment to the lease agreement is before the City Council for consideration (Attachment 1).

### Key Terms of the Second Amendment:

- **Assignment:** The proposed Second Amendment transfers and assigns the current Lease Agreement to NCWPCS MPS 29-Year Tower Holding, LLC.
- **Lease Options:** Lessee will obtain the right to exercise options for two additional five-year terms and one two-year term.
- **Revised Rent:** Minimum base rent is \$2000.00 and escalates annually based on the Consumer Price Index (per First Amendment.)
- **Holding Over:** Any holding over of the Lease, consent of the City, shall result in a monthly lease rate of \$2,500.00.

The proposed second amendment to the lease agreement complies with the terms previously agreed to with the original lease. Leasing the transmission tower provides a steady source of income for the City.

## IMPACT ON CITY RESOURCES

No appropriation of funds is needed.
