Report Prepared by: Jeff Bennyhoff, Director of Information Technology

SUBJECT: Approval of Purchase for a Three (3) Year License of Bluebeam Studio Prime from CADD Microsystems Inc. for \$7,020

REPORT IN BRIEF

Considers the purchase of a three (3) year license of Bluebeam Studio Prime from CADD Microsystems Inc for \$7,020.

RECOMMENDATION

City Council - Adopt a motion:

A. Approving acquisition of the license of BlueBeam Studio Prime software and authorizing the City

Manager or the Assistant City Manager to execute the necessary documents; and,

B. Authorizing the Finance Officer to make the necessary budget adjustments.

ALTERNATIVES

1. Authorize agreement as recommended: or,
2. Refer to staff for further evaluation: or,
3. Deny.

AUTHORITY

Charter of the City of Merced, Section 200.

CITY COUNCIL PRIORITIES

As provided for in the 2019-20 Adopted Budget.

DISCUSSION

Council has another staff report to consider before them to enter into a contract with Tyler Technologies to license their ERP software suite. The five (5) year contract will replace our current Central Square ERP system that the City has utilized for the past 31 years. The project is anticipated to take four (4) years to complete.

Bluebeam Studio Prime software is required to make the new ERP system work for the Community Development Department that was not included in the proposed Tyler Technologies contract. The software allows for a single point of entry and communication for all electronic plan checks across all City departments and with the business that submitted the plans. Tyler Technologies does not make or distribute this software and it must be purchased separately through a reseller. The Bluebeam software is sold through a reseller CADD Microsystems.

IMPACT ON CITY RESOURCES

Funds are available in account 672-0403-617-65-00 Project 118033. If additional funds are needed it will be added to the project during the budget process.
