### REPORT IN BRIEF

Advanced Air transition from LAX to Hawthorne Municipal Airport (HHR)

### RECOMMENDATION

### DISCUSSION

Advanced Air requested to transition from LAX to Hawthorne Municipal Airport (HHR) with the Department of Transportation. On February 6, 2023, the Merced City Council approved a request for support for this change in the agreement between Advanced Air and the DOT. The DOT gave the order approving the alternate service pattern on March 23, 2023, for 12 weekly round trips from Merced to Hawthorne Municipal Airport (HHR). The new schedule went into effect on April 1, 2023.

Levi Stockton, Donny Sandusky, and Barbara Hunt from Advanced Air will be calling in to give updates on this transition including the airline schedule, shuttle service and marketing updates.
