### DISCUSSION

At the City Council meeting on June 20, 2016, the City Council approved Final Map #5356 for Mansionette Estates, Unit 5 at the southeast corner of Mercy Avenue and Mansionette Drive (Attachment 1). Prior to recordation of the Final Map, the property must be annexed into Community Facilities District No. 2003-2 (Services). This Community Facilities District was formed in 2003 to cover the costs for landscape and storm drain maintenance as well as costs for Police and Fire services. The CFD authorizes a special tax to be levied on the property to cover the maintenance and services costs previously mentioned.

The property owners, ME-5 Merced, Inc., have submitted a petition to initiate the proceedings for annexation into CFD 2003-2 (Services) (Attachment 2). This is the first step in the annexation process. City Council is being asked to accept the petition to allow the annexation to proceed.

In a later action during this meeting (under “Reports”), the City Council will be asked to adopt a Resolution of Intent, approve a Deposit and Reimbursement Agreement, and set a public hearing for the election for the annexation into CFD No. 2003-2 (Services). A revised Rate and Method of Apportionment detailing the methodology used and the calculation of the special tax is provided with the Administrative Report for the adoption of the Resolution of Intent.

### **IMPACT ON CITY RESOURCES**

The annexation of this property into CFD No. 2003-2 (Services) would cover the costs for the landscape and storm drain maintenance for this development and pay a portion of the costs for Police and Fire services to the development.
