DISCUSSION

Event Description

The Cap and Town event is a celebration held in recognition of academic excellence in Merced area schools. This year, the Greater Merced Chamber of Commerce will spearhead the event with the City of Merced as a co-sponsor. The event hosts thousands of students, visitors, and residents of Merced as they enjoy the music and fun provided in Downtown Merced.

The Festival activities will begin at 10:00 a.m. on Saturday, September 10, 2016 and end at 10:00 pm. As in previous years, activities and entertainment will also be provided, including live bands, kids’ activities and a rock climbing wall. Craft and food vendors along with school clubs and organizations will also be in attendance. A Beer/Wine Garden will be provided for those who are of age to consume alcoholic beverages.

Street Closure Details:

The street closure area proposed is West Main Street from M Street to Martin Luther King Jr. Way, and Canal Street from West Main Street to West 18th Street. Bob Hart Square at the intersection of Canal and West Main Street will be used, as well. The closure duration requested is from 8:00 a.m. on Saturday, September 10, 2016 to approximately 12:00 a.m. on Sunday, September 11, 2016.

Because there is angled parking on K Street between West 18th Street and West 16th Street that would only allow vehicles to exit the area by passing through the street closure area, K Street will be closed to north/south traffic from West Main Street to the alley between West 18th Street and West Main Streets and from West Main Street to the alley between West 16th Street and West Main Streets (Attachment 1).

Barricades will be placed on K Street at the alley entrances immediately to the north and south of the West Main and K Streets intersection. Subsequently, any traffic turning onto K Street from West 18th Street or West 16th Street will be diverted to either alley entrance. Additional barriers will be placed at the ends of the closure area, on West Main Street at M Street and at Martin Luther King Jr. Way, and on Canal Street at West 18th Street (Attachment 1).

Local businesses will be notified prior to the festival date, as downtown parking will be affected.

No conditions of approval are required for the street closure as the City of Merced is a co-sponsor. However, notification shall still be made to affected local businesses and residences advising them of the hours and reasons for the closure within a one-half mile radius at least seventy-two (72) hours prior to the event (Attachment 3).

In addition, “No Parking” signs shall be posted at least twenty-four (24) hours prior to the towing of any vehicle(s) per California Vehicle Code Section 22651(m). These requirements are placed on all street closures approved by the City of Merced.

Beer Garden:

As in the past, a beer garden is proposed as part of the Cap & Town street closure.

The proposal will be a joint partnership between The Greater Merced Chamber of Commerce and Daron McDaniel doing business as DBMAC, Inc. DBMAC, Inc. has been in the business for over 15 years and has successfully hosted beer gardens at various functions.

All City of Merced, County of Merced and California Alcohol Beverage Control rules and regulations pertaining to the sale of alcohol in public will be adhered to.

History and Past Actions:

Event Background

The Cap & Town Festival was first held in 2009, mainly as a way to accommodate the large number of people wishing to view the First Lady Michelle Obama's keynote speech for the limited-admission graduation ceremony at UC Merced, while also providing a family-oriented setting for food, music and games. City staff along with community partners successfully ran the festival from 2009 - 2014. 2015 was a year of transition for the Downtown as the Merced Main Street Association was awarded the contract for Downtown functions. Subsequently, Cap & Town was not held. Recognizing that Cap & Town is a great community event, The Greater Merced Chamber of Commerce and the City plan to once again host the festival. Plans for the festival will be similar to prior years but vendor and entertainment location specifics are currently being worked out (Attachment 2). Instead of the festival taking place when school is out, it will take place at the beginning of the school year to garner increased student participation.

At the 2010 Cap & Town, a beer garden was successfully added to the event. No problems were reported with the beer garden in past years.

IMPACT ON CITY RESOURCES

No appropriation of funds is needed.
