DISCUSSION

Proposed Commercial Cannabis Business Tax

Based on the options presented at the February 5, 2018, City Council meeting by SCI Consulting, a draft Ordinance has been prepared for consideration by the voters of the City of Merced establishing a Commercial Cannabis Business Tax (Attachment 3).

The Commercial Cannabis Business Tax would be enacted solely to raise revenue for specific governmental purposes for the City of Merced and not for purposes of regulation. All of the proceeds from the tax imposed by this Ordinance shall be used exclusively to fund local police and fire protection services and parks and recreation services and cannot be spent for any other purpose.

The proposed ordinance would impose a commercial cannabis business tax on gross receipts up to a maximum of:

- 7% on medicinal retail, 10% on adult-use retail,
- \$25 per square foot on manufacturing,
- the greater of 10% or \$25 per square foot on indoor cultivation,
- \$4 per square foot on nurseries,
- the greater of 10% or \$5 per square foot on distribution, and,
- \$1 per square foot on testing.

However, in order to give commercial cannabis businesses in Merced a chance to get established financially, the initial rate of the tax on gross receipts would be:

- 4% on medicinal retail, 7% on adult-use retail,
- \$7 per square foot on manufacturing,
- The greater of 4% or \$7 per square foot on indoor cultivation,

- \$0.50 per square foot on nurseries,
- The greater of 2% or \$1 per square foot on distribution, and,
- \$0.25 per square foot on testing.

In accordance with the requirements of the California Environmental Quality Act (CEQA), a Categorical Exemption is being recommended (Attachment 4).

Call for Election

The City has consistently recognized a cost savings in previous years by consolidating the General Municipal Election with the Consolidated District Election and the Unified District Election conducted by the Merced County Elections Office. The County has trained staff and volunteers, in addition to the necessary equipment, software, and locations to conduct elections efficiently and economically. Therefore, staff recommends that the City Council call for the Special Municipal Election on June 5, 2018 and consolidate the Special Municipal Election with the Statewide Direct Primary Election on June 5, 2018, per the two resolutions at Attachments 1 and 2.

IMPACT ON CITY RESOURCES

It is estimated by the Registrar of Voters that the Special Municipal Election will cost approximately \$45,000 to \$60,000. The fiscal year 2017-18 budget included \$25,000 for an anticipated election. A supplemental appropriation in the amount of \$35,000 is needed to cover the estimated cost of \$60,000.

The commercial cannabis business tax is expected to result in up to \$1,000,000 in additional revenue on an annual basis to fund police, fire, and parks/recreation services exclusively.
