### DISCUSSION

California Government Code section 7522.56, subdivision (f)(1) provides that a CalPERS retiree is not eligible to work for a CalPERS employer for a period of 180 days following the date of their retirement unless an exception applies. One such exception allows the 180-day waiting period to be waived if the retired employee is needed to fill a critically-necessary position and the employee has the specialized skills and knowledge for the position. Under this circumstance, the retired employee can be hired before the expiration of the 180-day waiting period if the governing body of the CalPERS agency certifies through the adoption of a resolution that the appointment is necessary to fill a critical need. Additional requirements for the post-retirement employment include:

- The retired employee can only work for a limited duration and must be hired into a retired

- annuitant or part-time temporary/extra-help position (not a permanent part-time position);
- The retired employee can only work 960 hours in a fiscal year (July 1 to June 30);
- The retired employee can only be paid an hourly compensation without benefits or any additional or special compensation;
- The compensation paid to the retired employee must be an hourly rate that is not greater than nor less than the hourly rate on the salary schedule for the equivalent position; and,
- The appointment of the employee must be made by the governing body at a public meeting and the appointment cannot be placed on a consent calendar.

At this time, the City has a critical need for an experienced Dispatcher to work the Communications Center, which includes answering calls for Police Services and Dispatching Police and Fire personnel. Currently, the Communications Center is understaffed due to vacancies, employees on extended leaves of absence and newly hired dispatchers who are undergoing supervised training. Due to these circumstances, overtime will be required to attempt to meet the daily demands of the Communications Center. The appointment of a skilled temporary dispatcher will provide the Police Department with the necessary assistance to handle calls for service as well as reduce overtime for existing full time dispatchers.

Lisa Linares retired from the City on December 17, 2017, as a Dispatcher II. Prior to her retirement, Ms. Linares worked for the City as a Dispatcher for 27 years. She has invaluable institutional knowledge of the City's Police Dispatch procedures and practices and she also possesses the necessary skills to perform the required duties. Due to her age at retirement, Ms. Linares is required to have a 60-day separation between her retirement date and her post-retirement employment date with the City. She has also met this requirement.

The attached resolution authorizes the City Council to make the required findings to allow Ms. Linares to be hired as a Temporary Dispatcher II effective April 5, 2018, which is before the expiration of her 180-day post-retirement wait period. As set forth in further detail in the attached resolution, Ms. Linares will be paid on an hourly basis within the same hourly range as other employees performing the same duties. Moreover, her hours will not exceed 960 hours in a fiscal year and no other benefits will be paid or provided.

Approval of the attached Resolution is therefore requested to waive the 180-day waiting period to allow the City to hire Ms. Linares on April 5, 2018.

## **IMPACT ON CITY RESOURCES**

Funds are available in the 2017-2018 Police Budget to cover this temporary cost; no additional funding is needed.
