DISCUSSION

In the 2014 election, the voters elected to change the City's at-large election to a district-based election. The City Council appointed a seven-member Independent Districting Advisory Committee to engage the public and create a district-based map with three districts north of the Santa Fe Railroad line and three districts south of the line. At their meeting of October 5, 2015, City Council adopted a final map and selected districts one, three, and five for election at the November 8, 2016 election.

At the November 6, 2018 election, three Council Members will be elected to four-year terms (one each in districts two, four, and six) and a Mayor will be elected at large to a two-year term of office.

The City has consistently recognized a cost savings in previous years by consolidating the General Municipal Election with the Consolidated Elections conducted by the Merced County Elections Office. The County has trained staff and volunteers, in addition to the necessary equipment, software, and locations to conduct elections efficiently and economically. Therefore, staff recommends that the City Council call for the General Municipal Election on November 6, 2018 and consolidate the General Municipal Election with the Gubernatorial General Election on November 6, 2018.

As in the previous years, candidates are to pay all costs for their Candidate Statements, and in the event of a tie vote after all votes have been counted, the tie will be resolved by a coin toss.

IMPACT ON CITY RESOURCES

It is estimated that the November 6, 2018 General Municipal Election will cost approximately \$75,000. Funds have been included in the Fiscal Year 2018-2019 budget to cover this expense.
