SUBJECT: Discussion on Changing the Day and Time of the Arts and Culture Advisory Commission

REPORT IN BRIEF

Discuss changing the day and time of the Arts and Culture Advisory Commission.

RECOMMENDATION

Provide direction to staff to make the revisions to the Ordinance regarding the meeting time and date.

DISCUSSION

During the Special Meeting on February 8, 2019, Ex-Officio Member Pratt requested to discuss changing the Arts and Culture Advisory Commission regular meeting time. Currently the Youth Council meets on the second Thursday of every month at 6:00 PM, which could cause a potential conflict if the Arts and Culture Advisory Commission ran longer than two hours. After reviewing the available times and dates, moving forward the first, third, and fourth Thursday of every odd number month have the fewest scheduling conflicts.
