DISCUSSION

Local Transportation Funds (LTF) are administered by the State of California and allocated through the Merced County Association of Governments (MCAG). LTF funds are first designated for identified transit needs, and any remaining balance is apportioned to local agencies for non-transit uses, such as streets and roads. In previous years, the City received an annual allocation determined by a population-based formula. This is the fourth year since 2009 that this funding has been available to the City; the City's entitlement for the 2018-2019 fiscal year was \$316,961.

Based upon population, the City of Merced's entitlement for the 2019-2020 fiscal year is \$191,250 as shown in Attachment 1 - LTF Apportionment. These funds will be used on a variety of different road projects with a priority placed on blending with Measure V and SB1 funds to support local projects. LTF funding can also be used as matching funds for grant funded projects.

As part of MCAG's claim process, the City is required to submit the completed claim form and corresponding City Council Resolution no later than September 20, 2019.

IMPACT ON CITY RESOURCES

Staff recommends accepting \$191,250 of Local Transportation Funds (LTF) from the Merced County Association of Governments (MCAG). The allocation of funding has been included in the FY 2019-20 adopted budget.
